Mom?

What, Stephen?

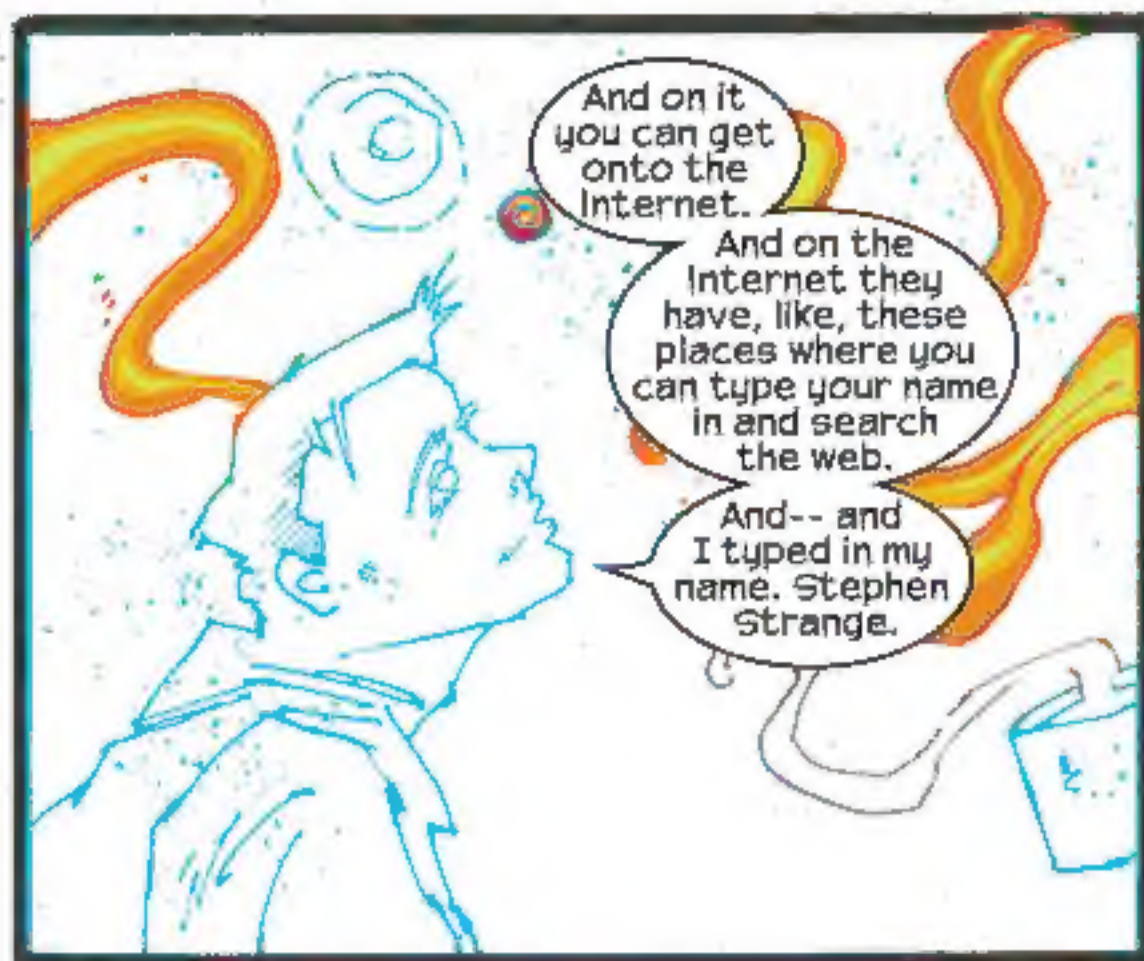

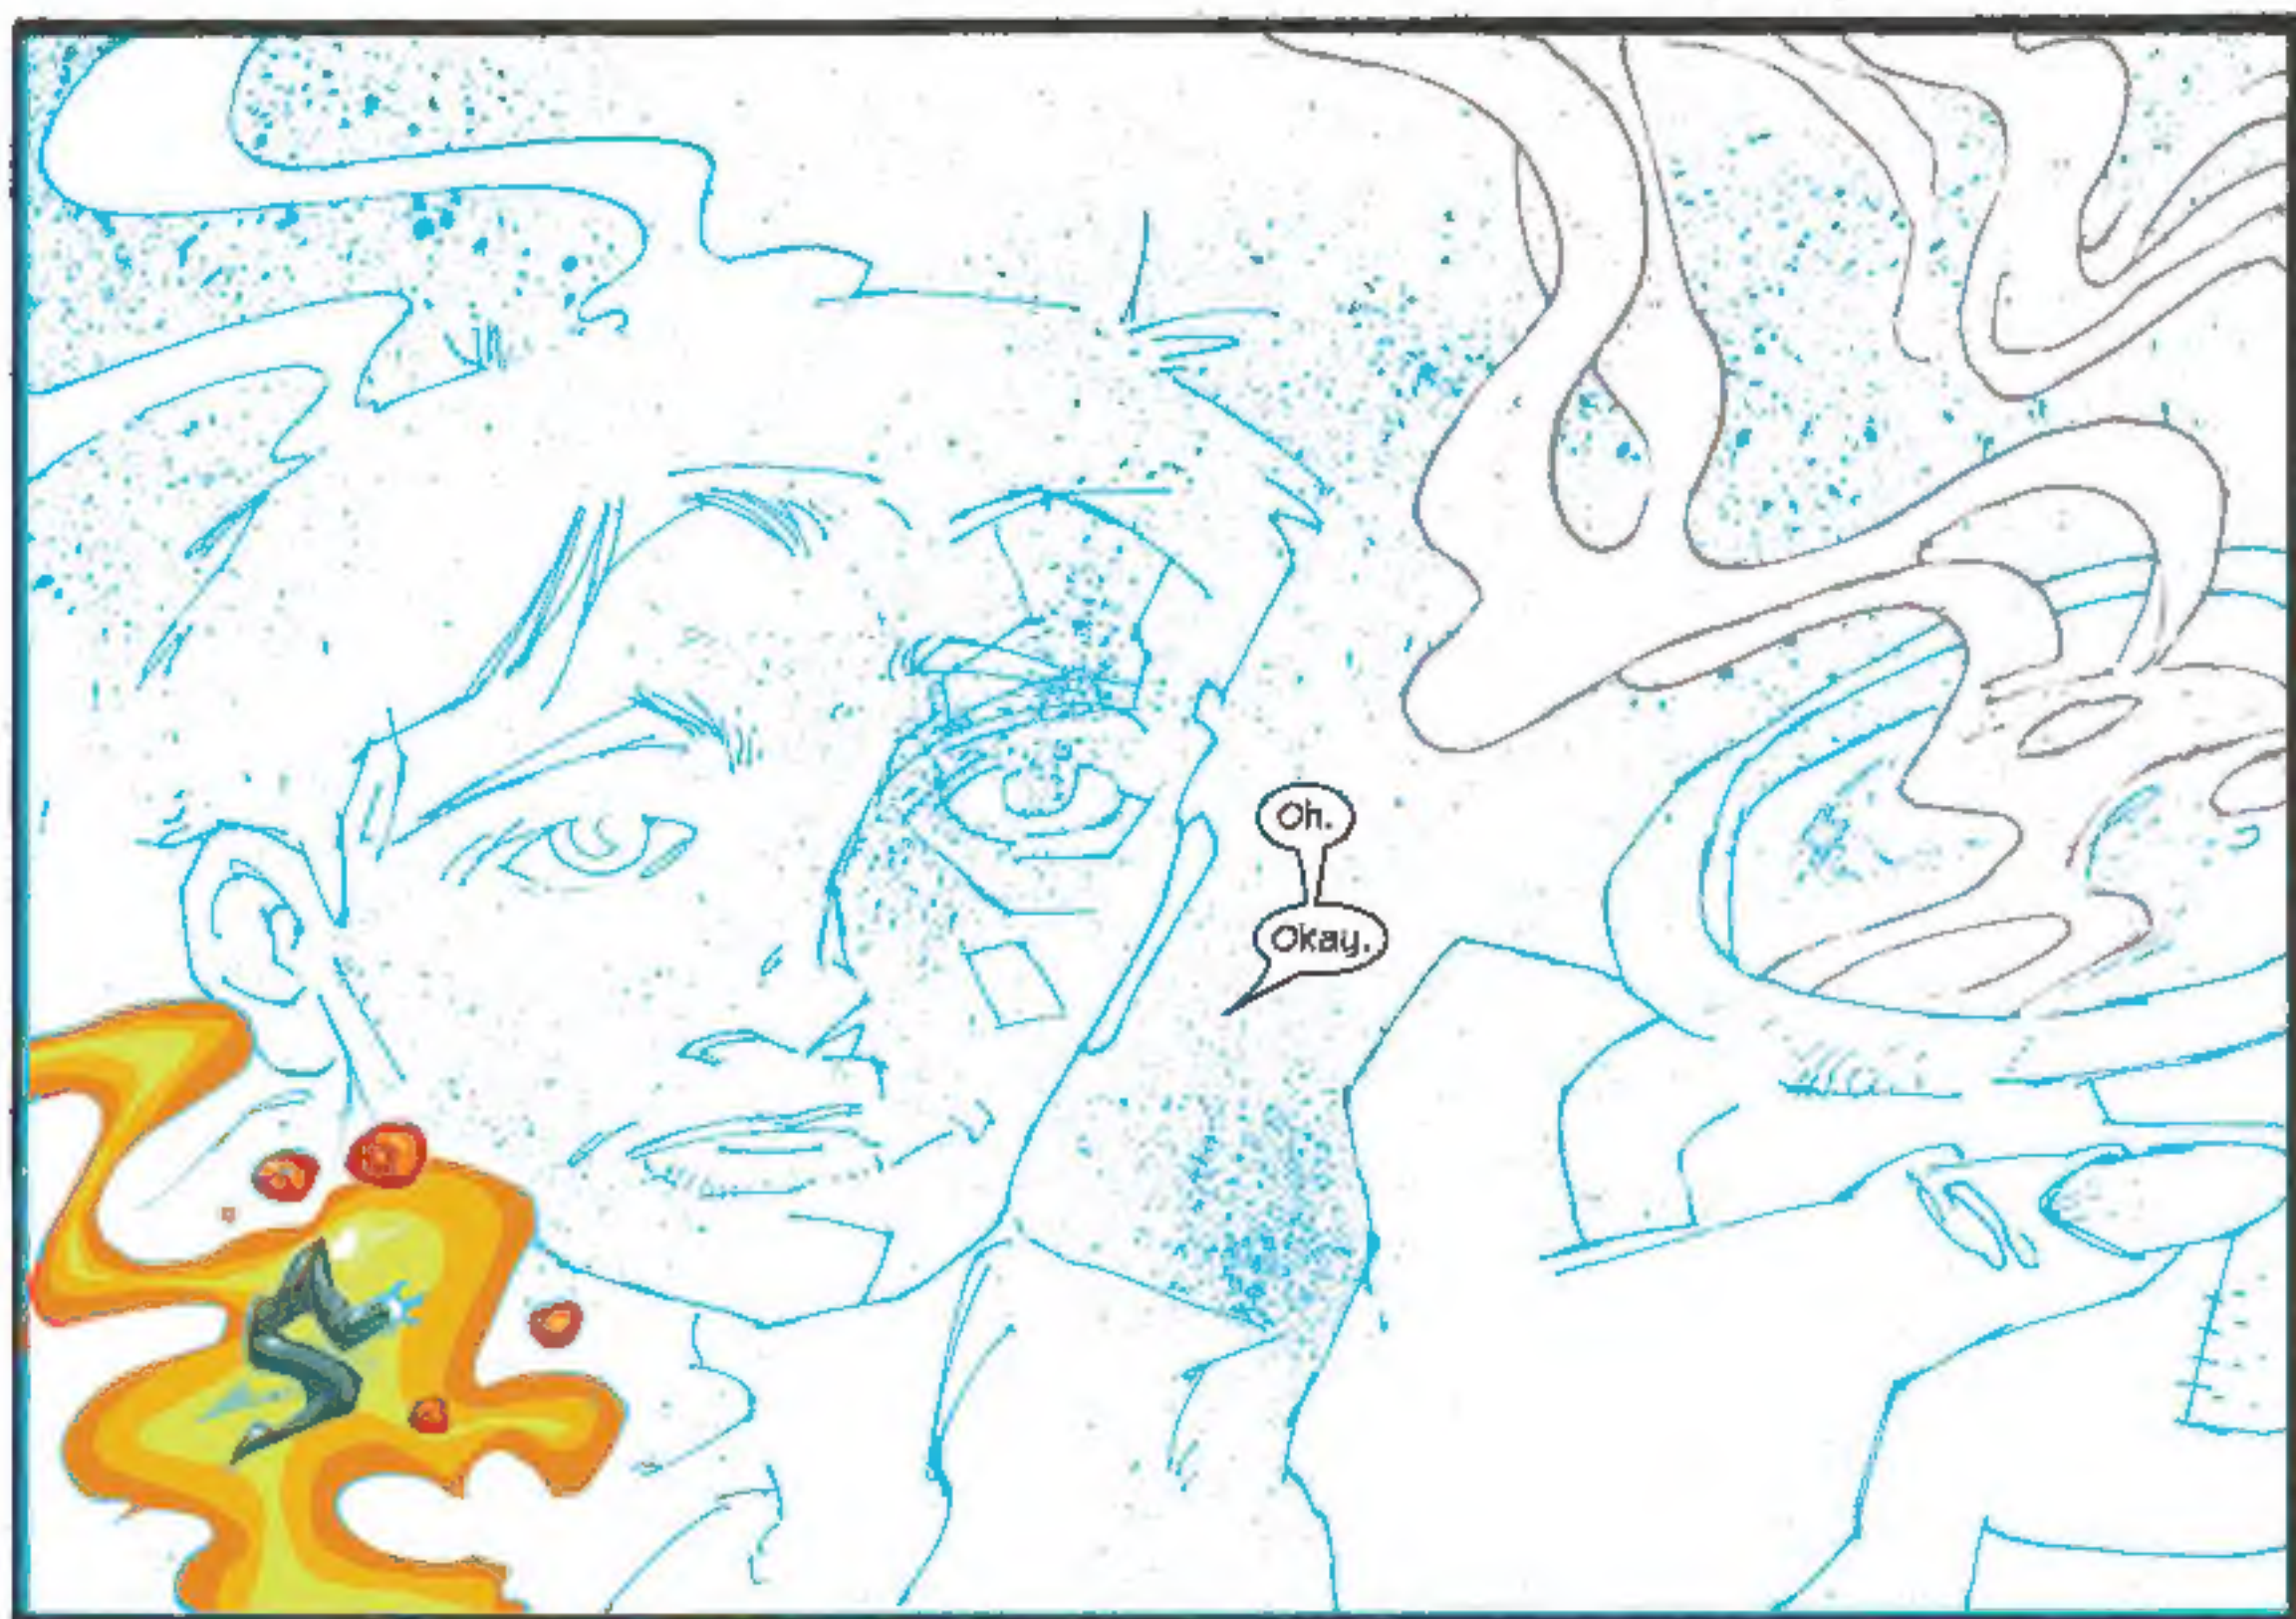

How did Daddy die?

I told you. He died in a car accident. He was a doctor and he died in a car accident.

Oh.

He's dead.

See here?  
See?

It says he was-- it says 'the uncontested Master of the Mystic Arts.'

What is that?

Is that the kind of doctor he was?

And this picture-- is that you when you were younger?

Listen to me and listen to me good!

Your father was a doctor and he died in a car accident!

And I don't want to see or hear anything else about this Mystic Arts!!

And I don't want to hear any more about this Internet! Do you understand?!

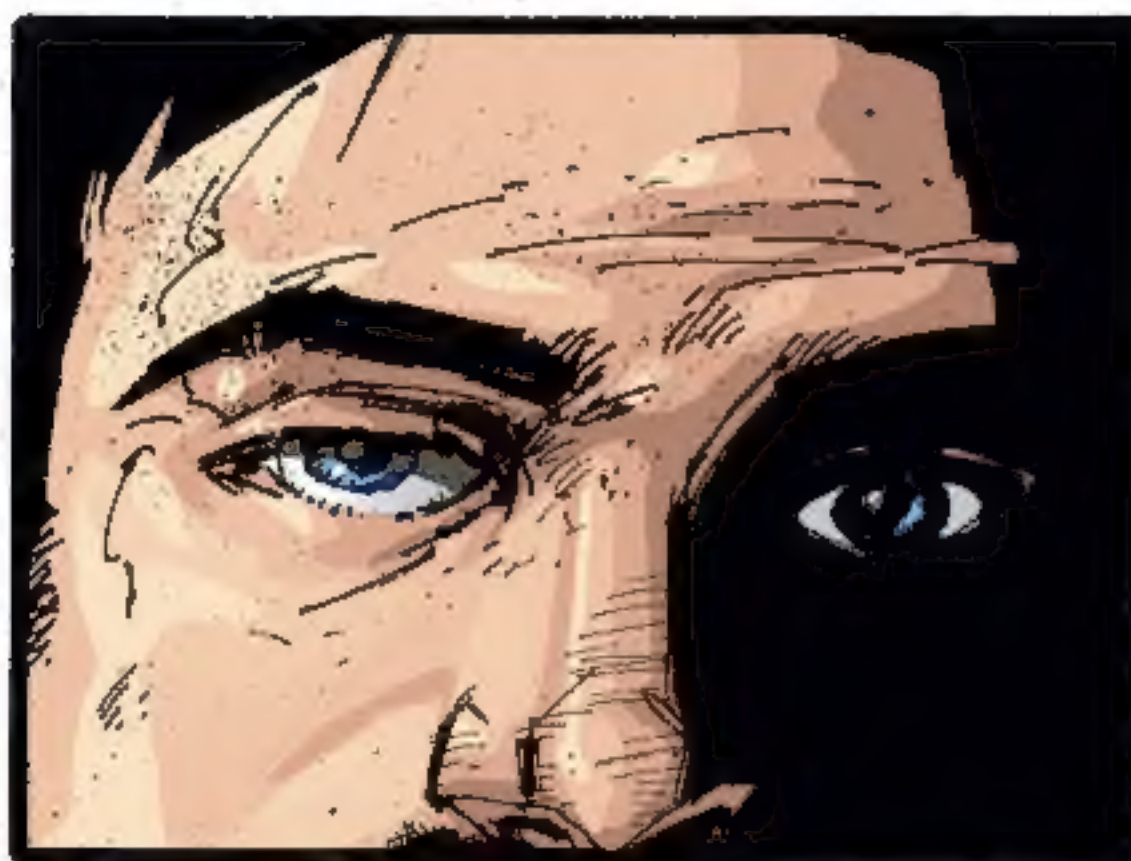

Do you?!

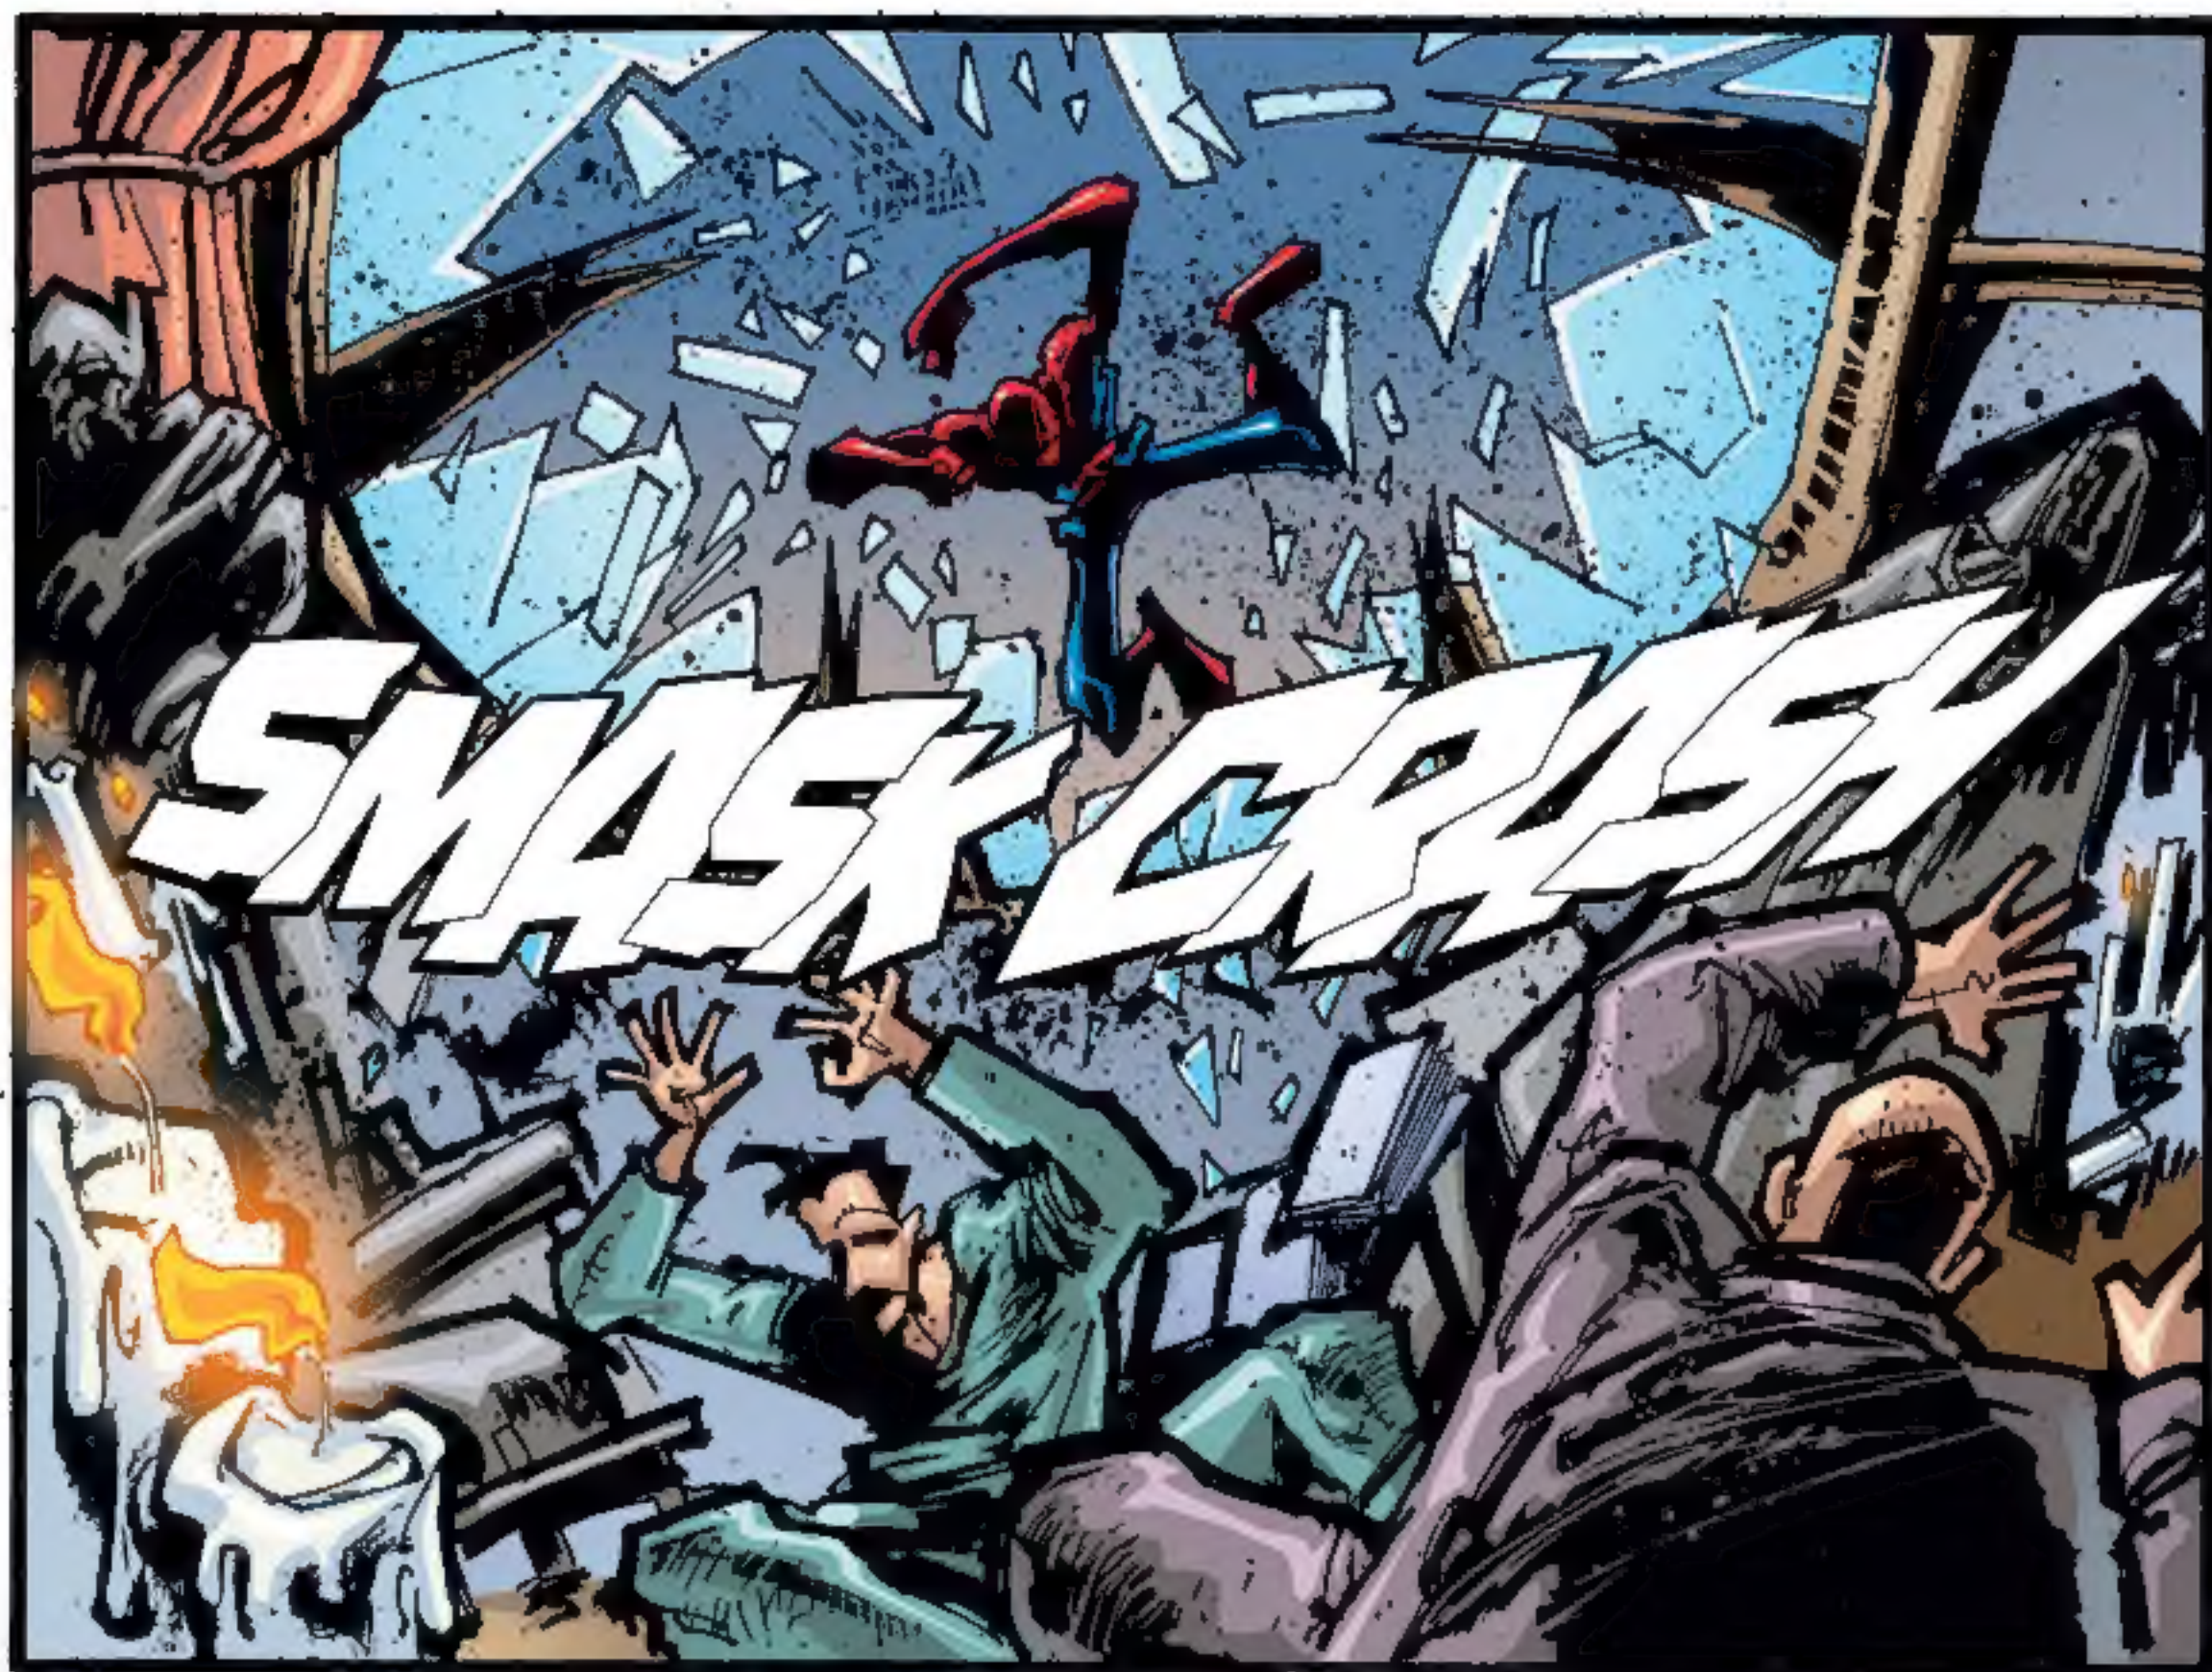

Yes, ma'am.

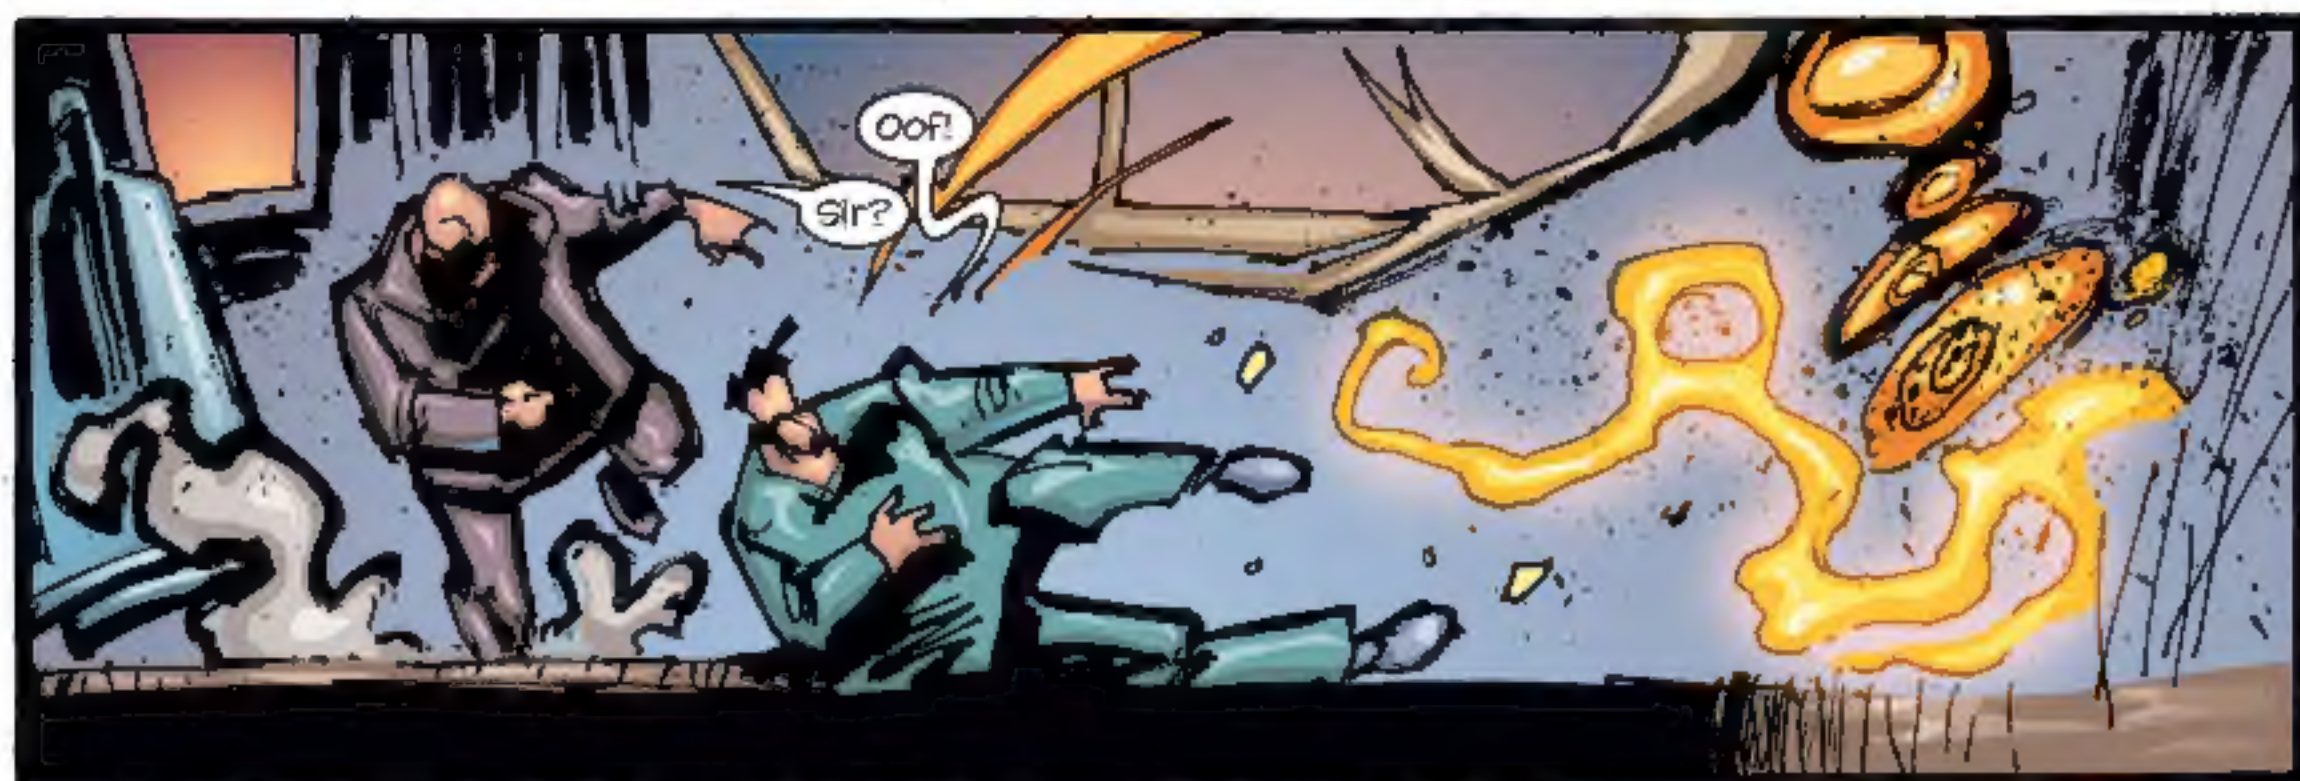

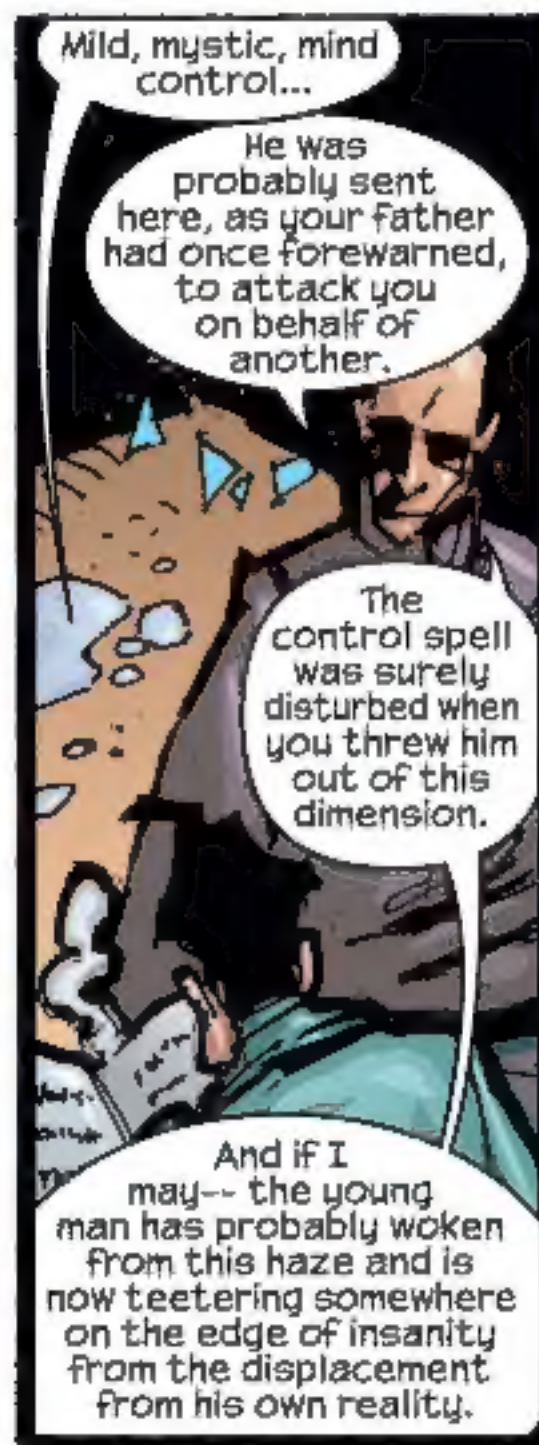

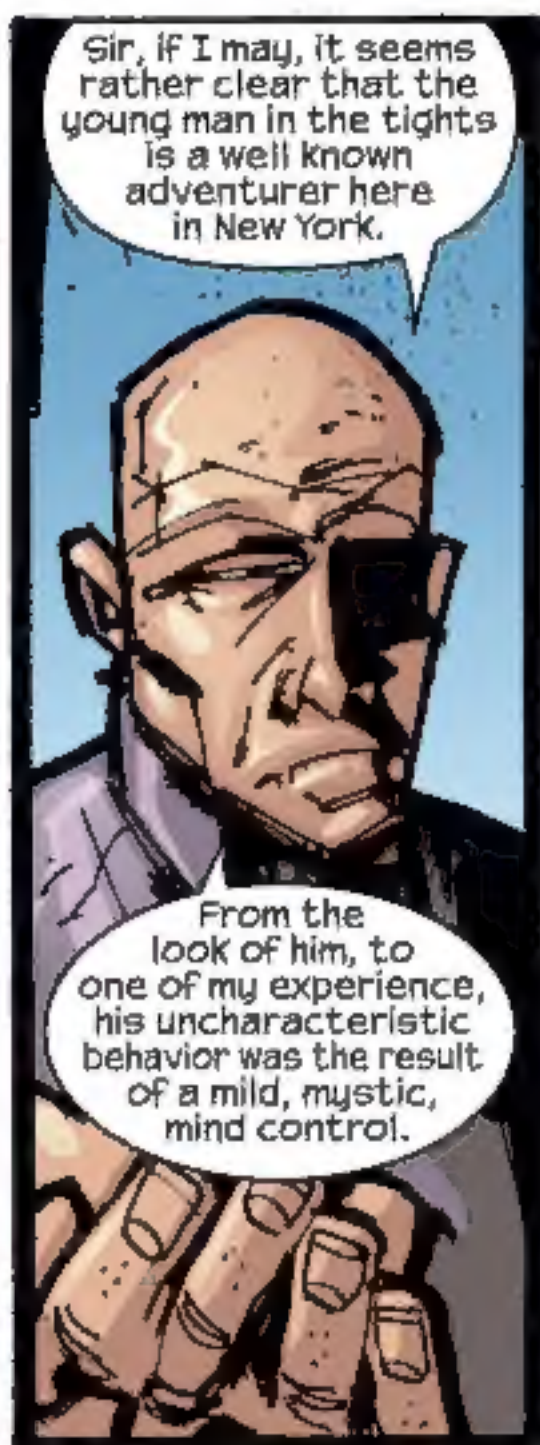

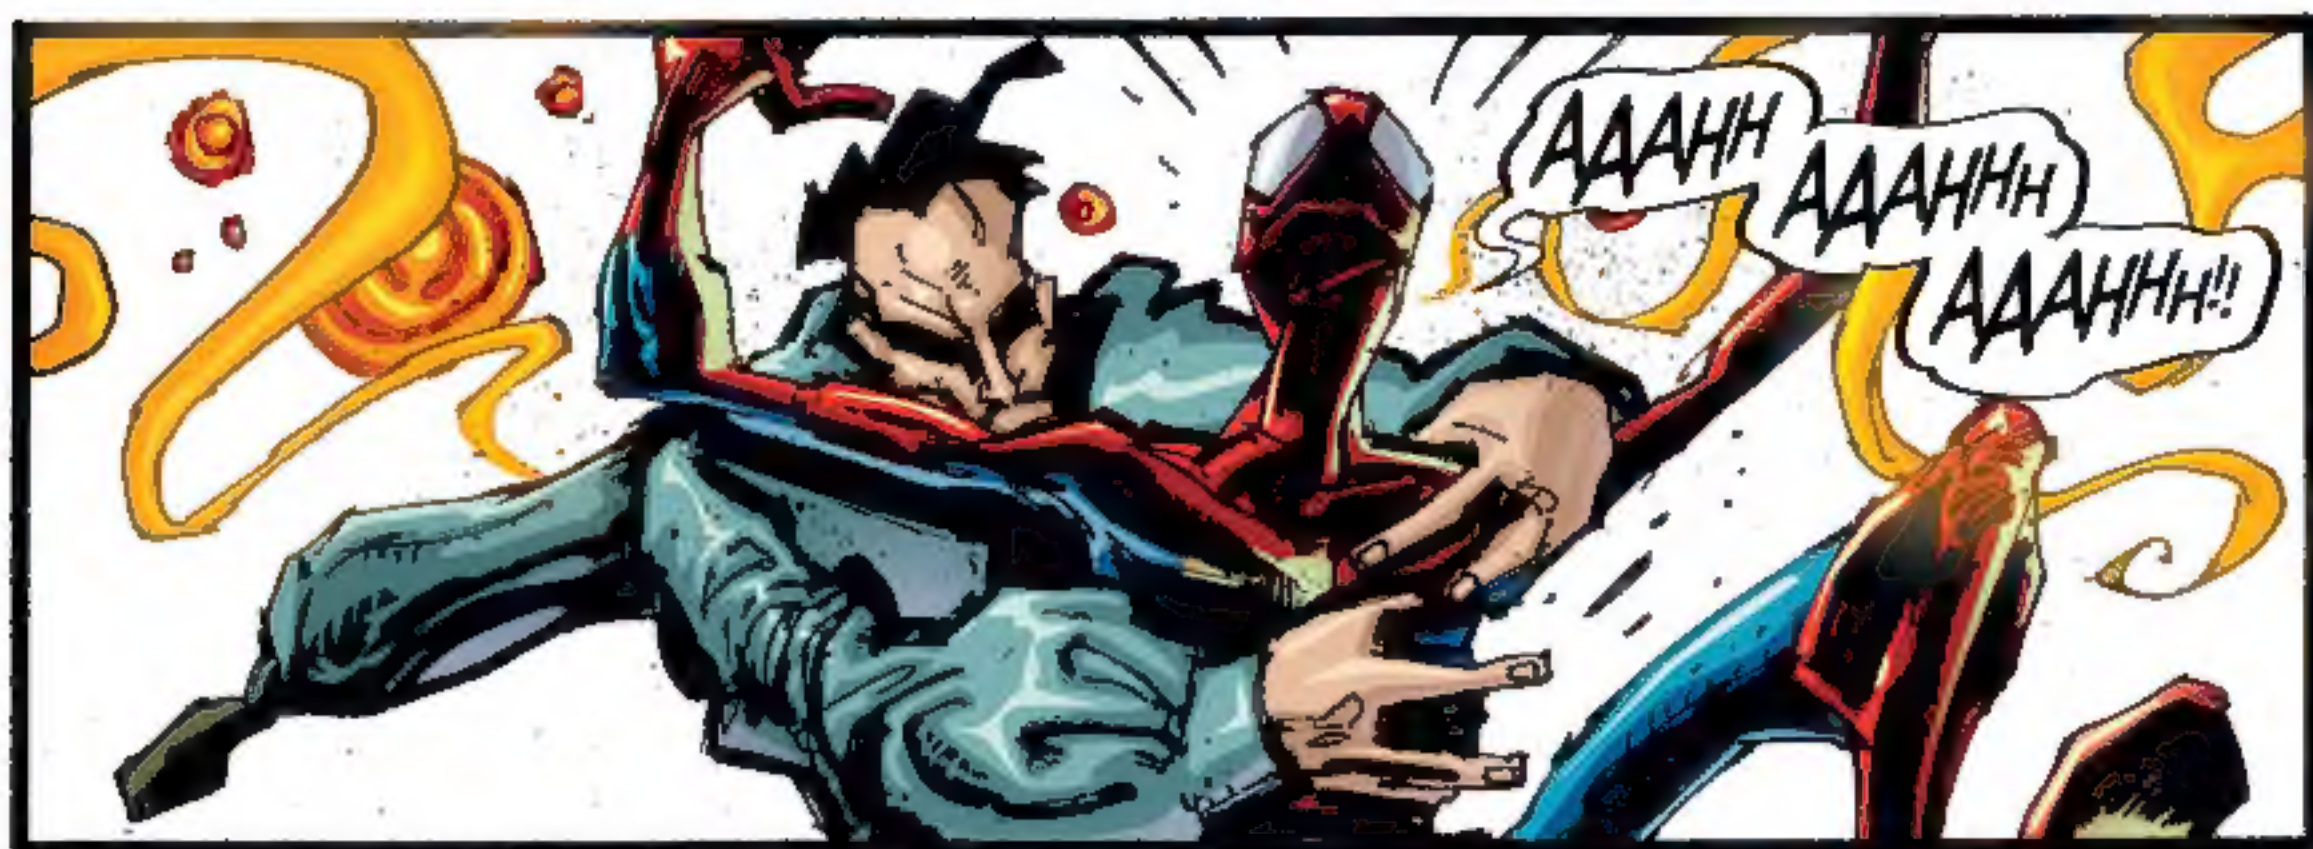

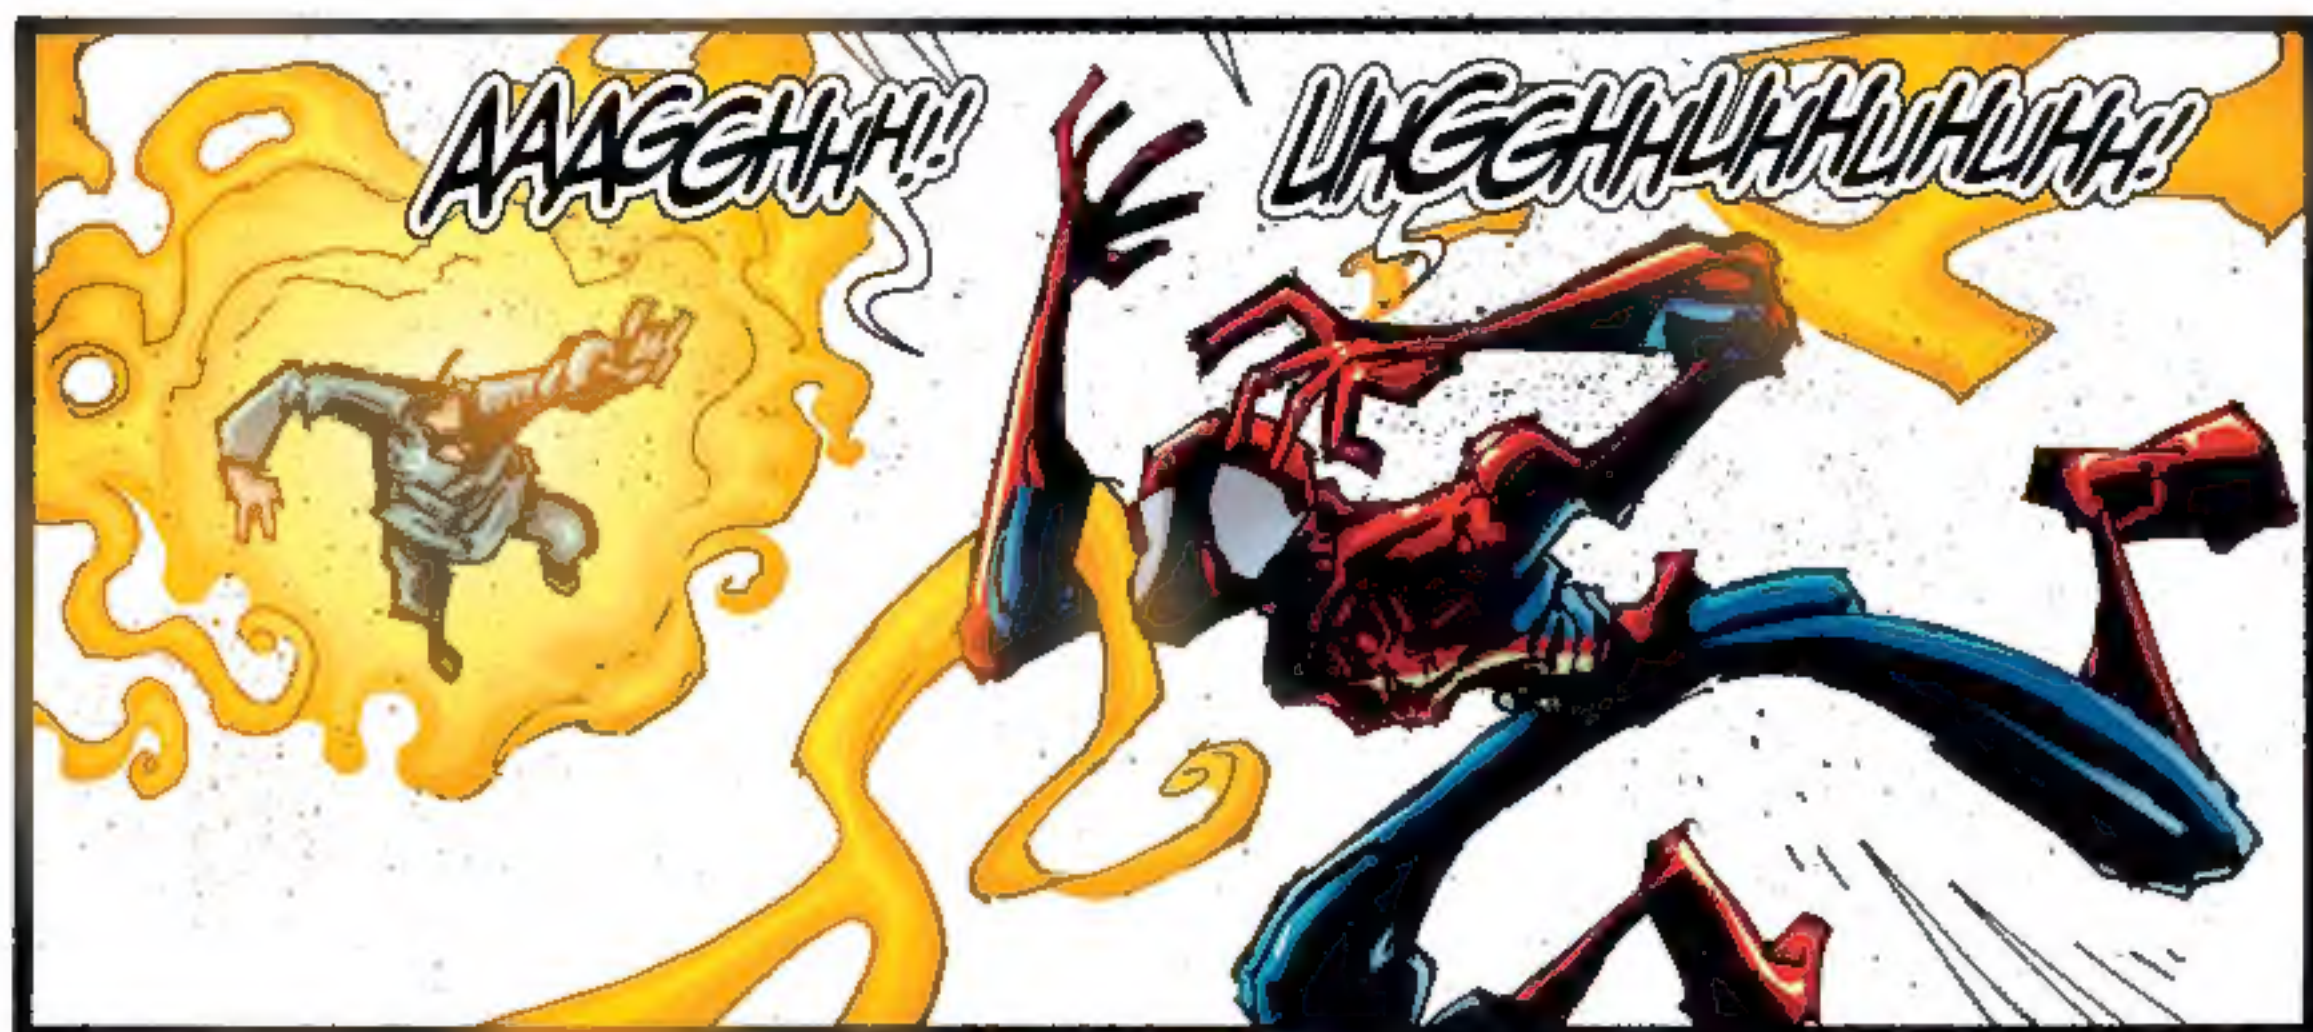

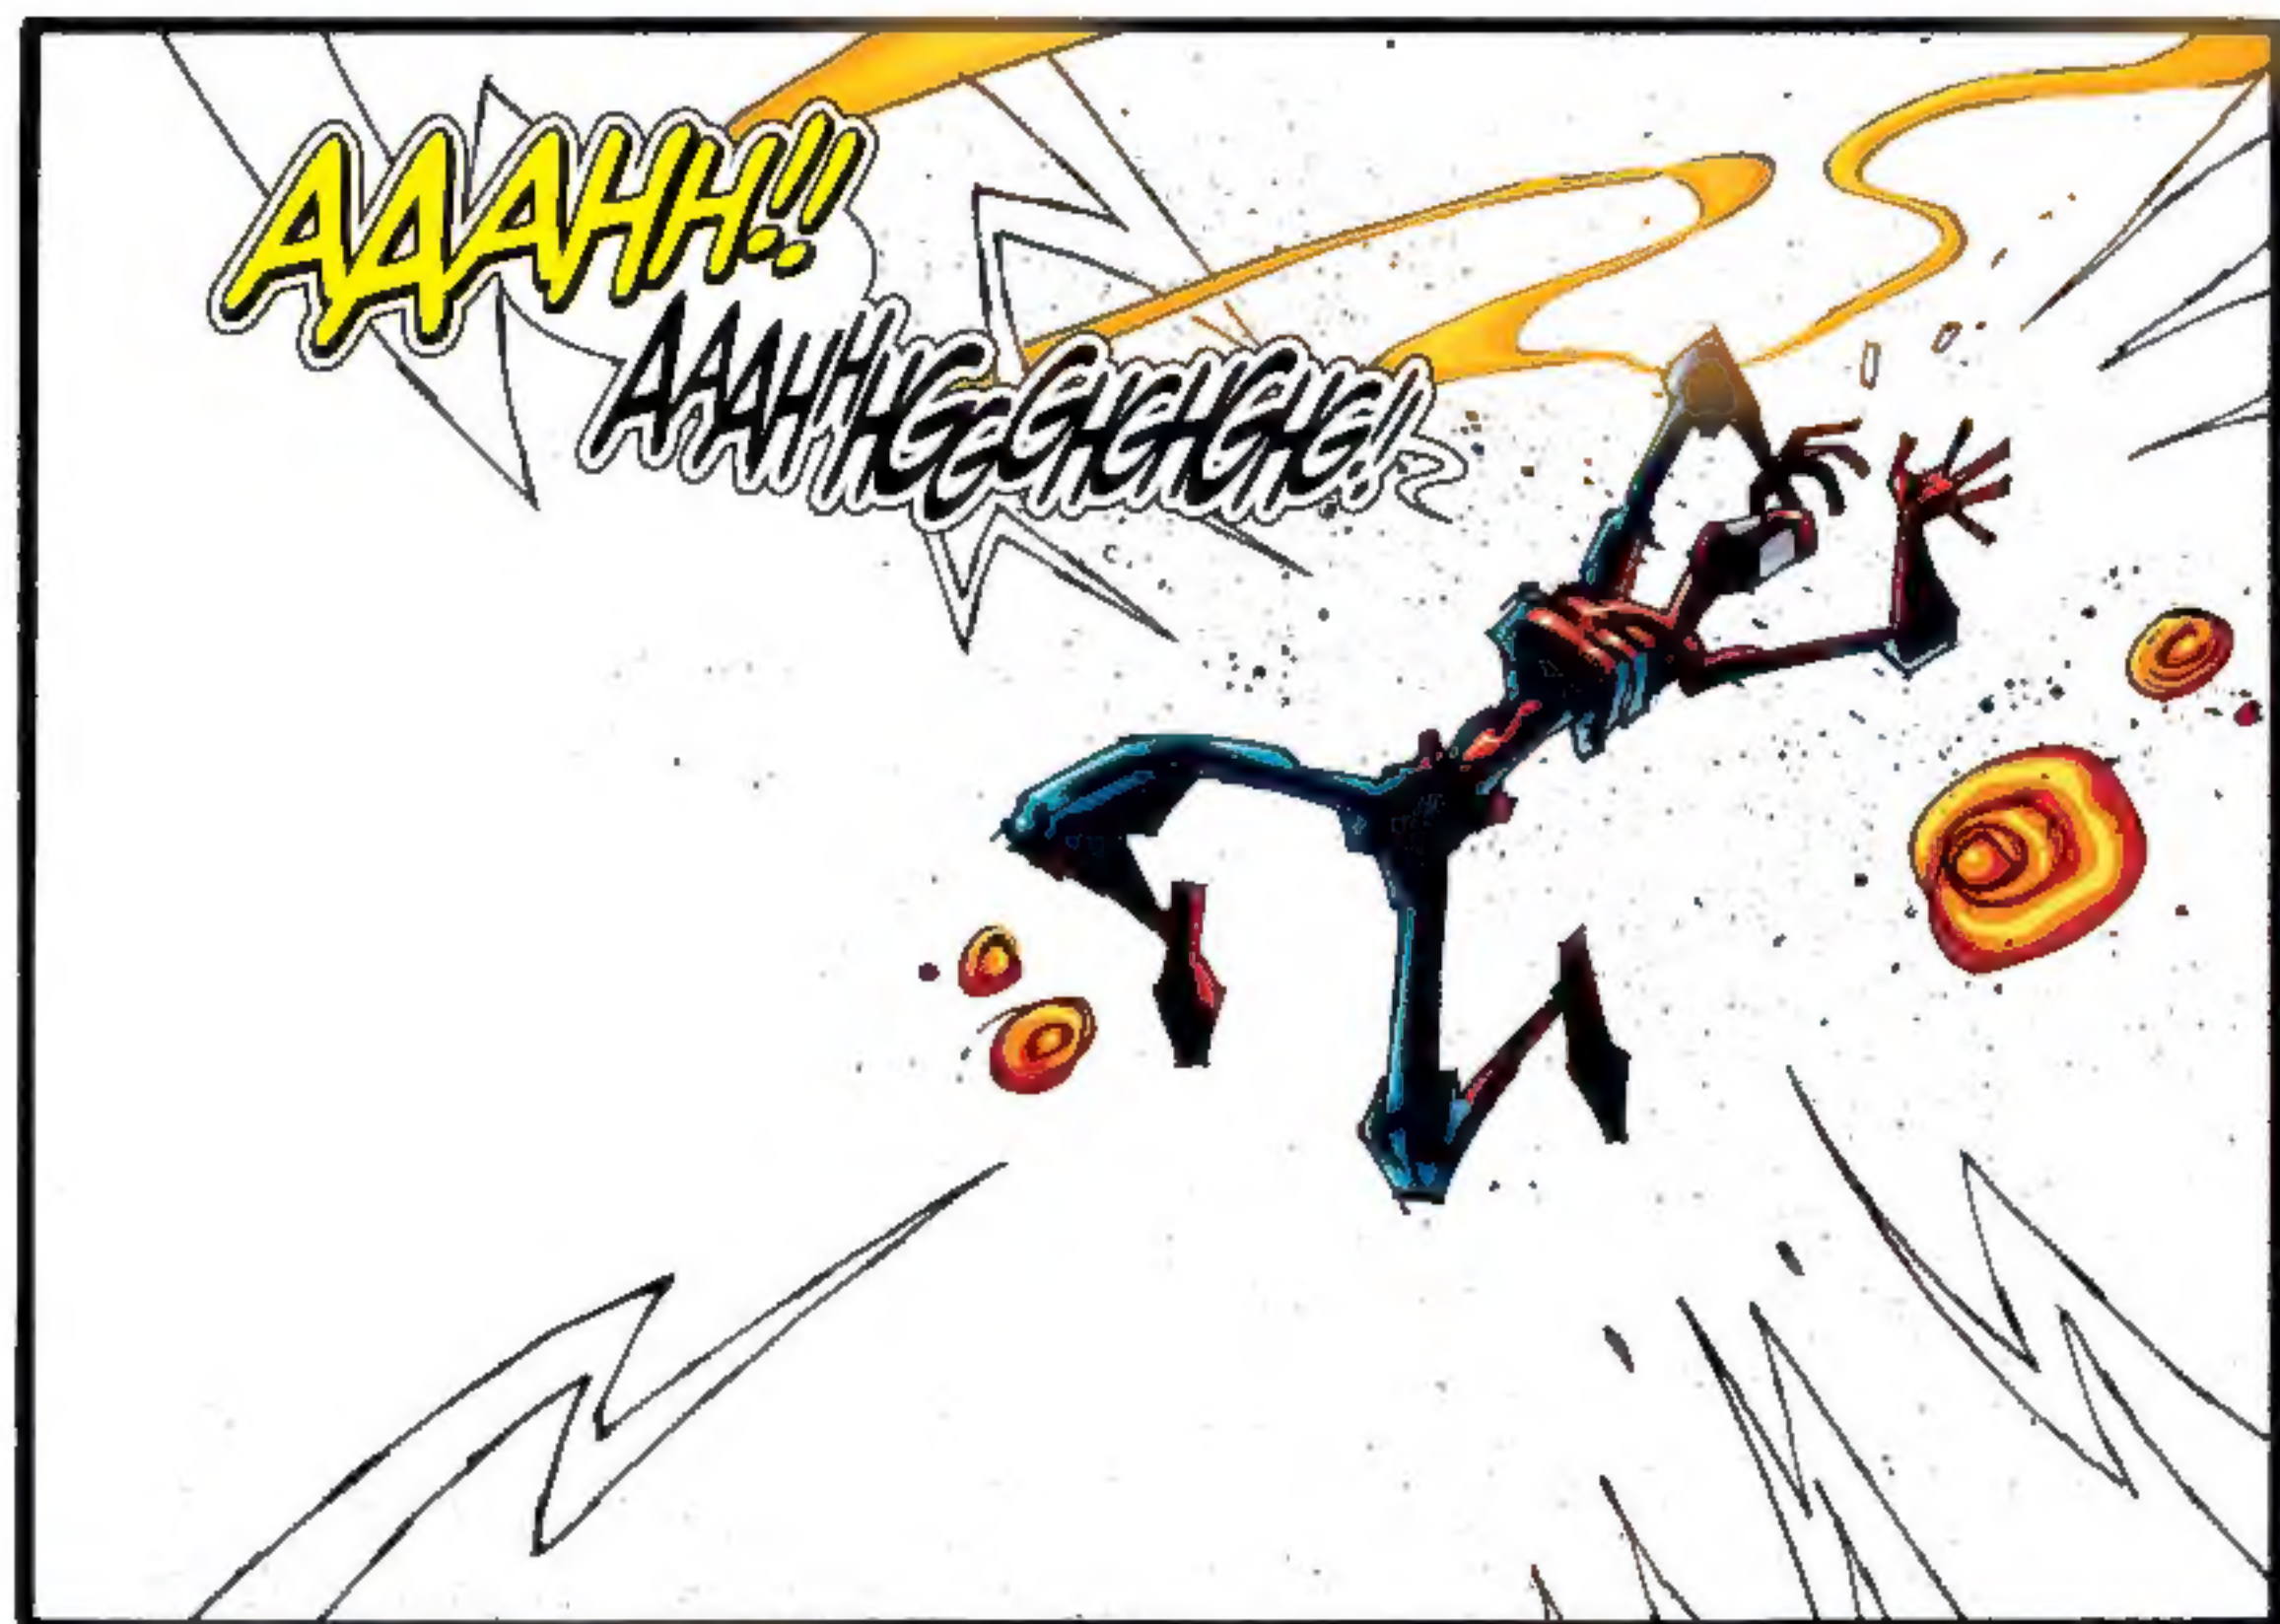

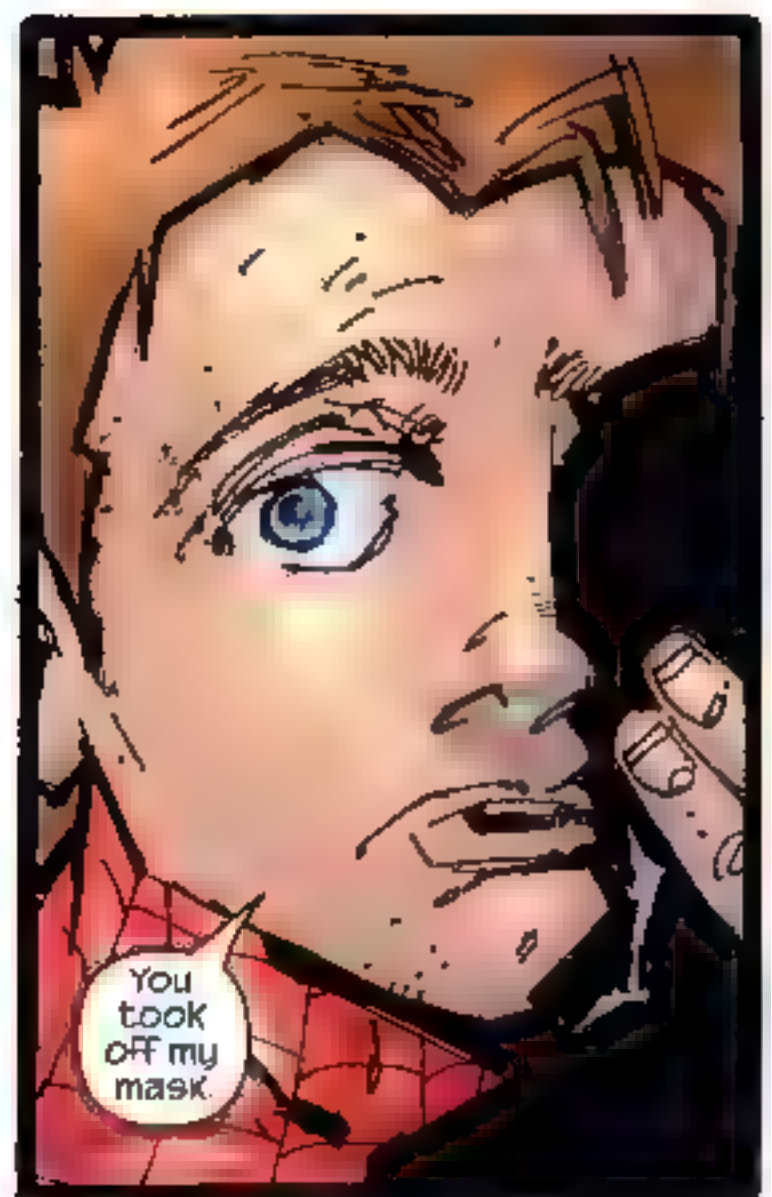

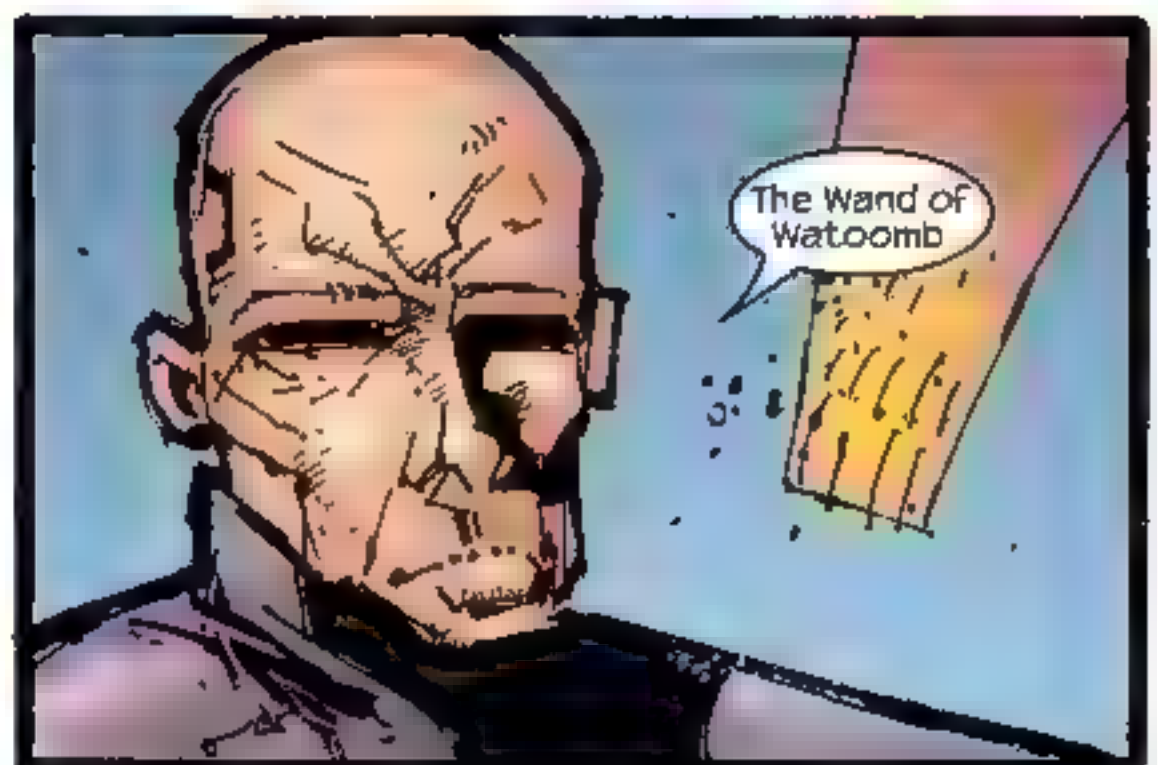

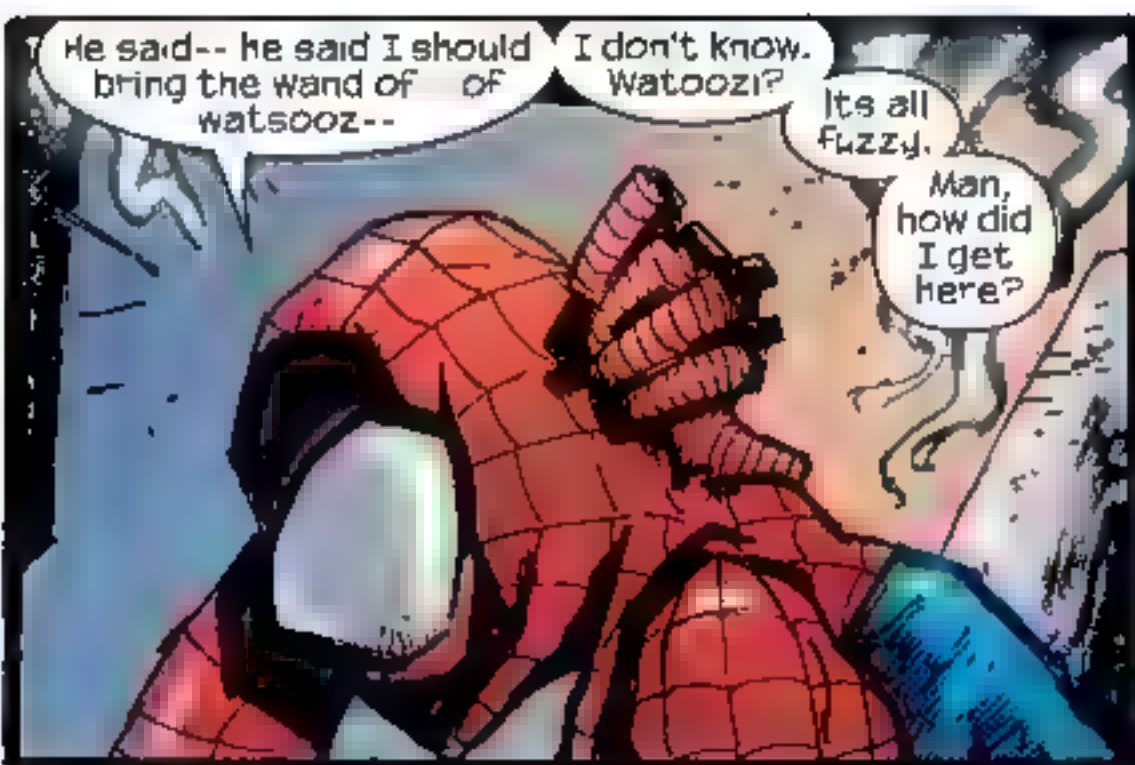

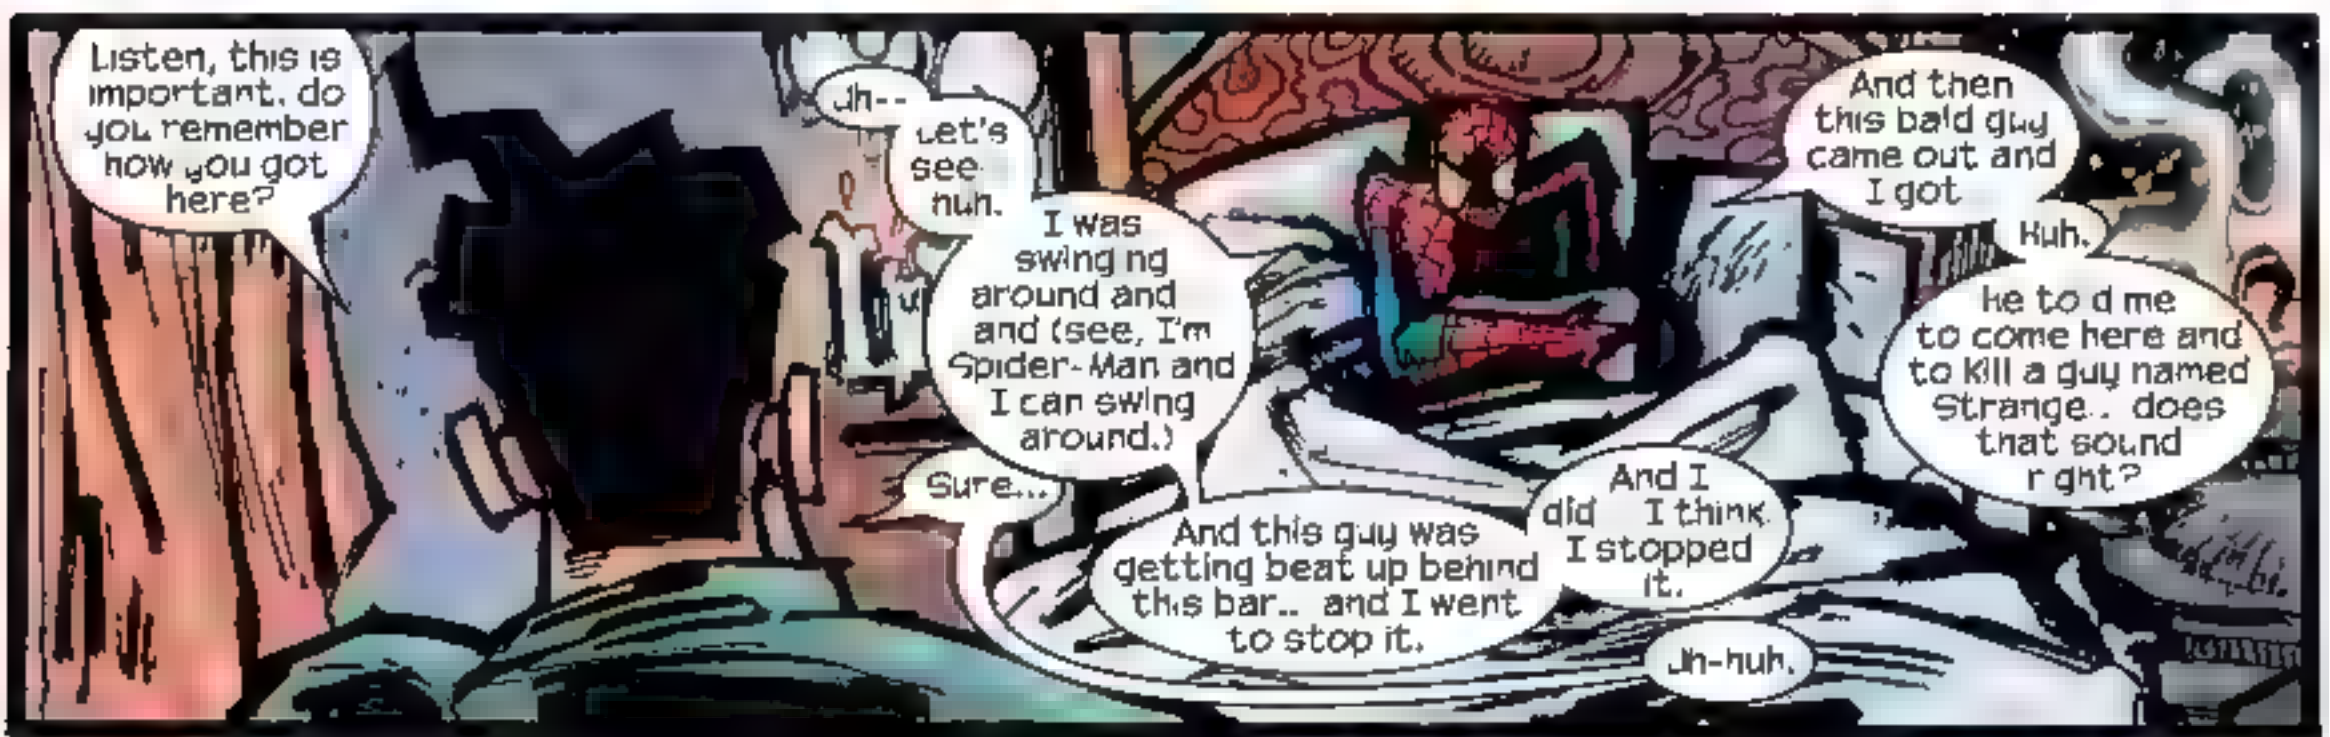

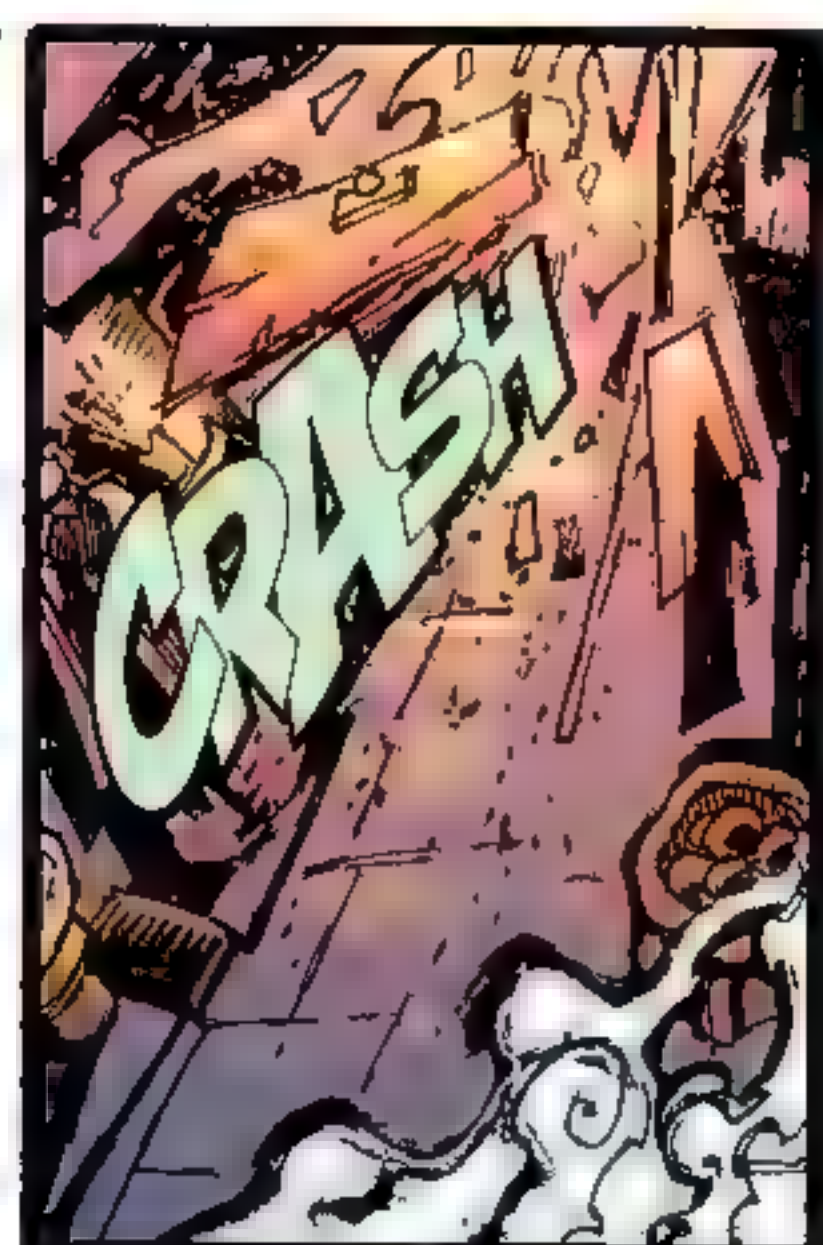

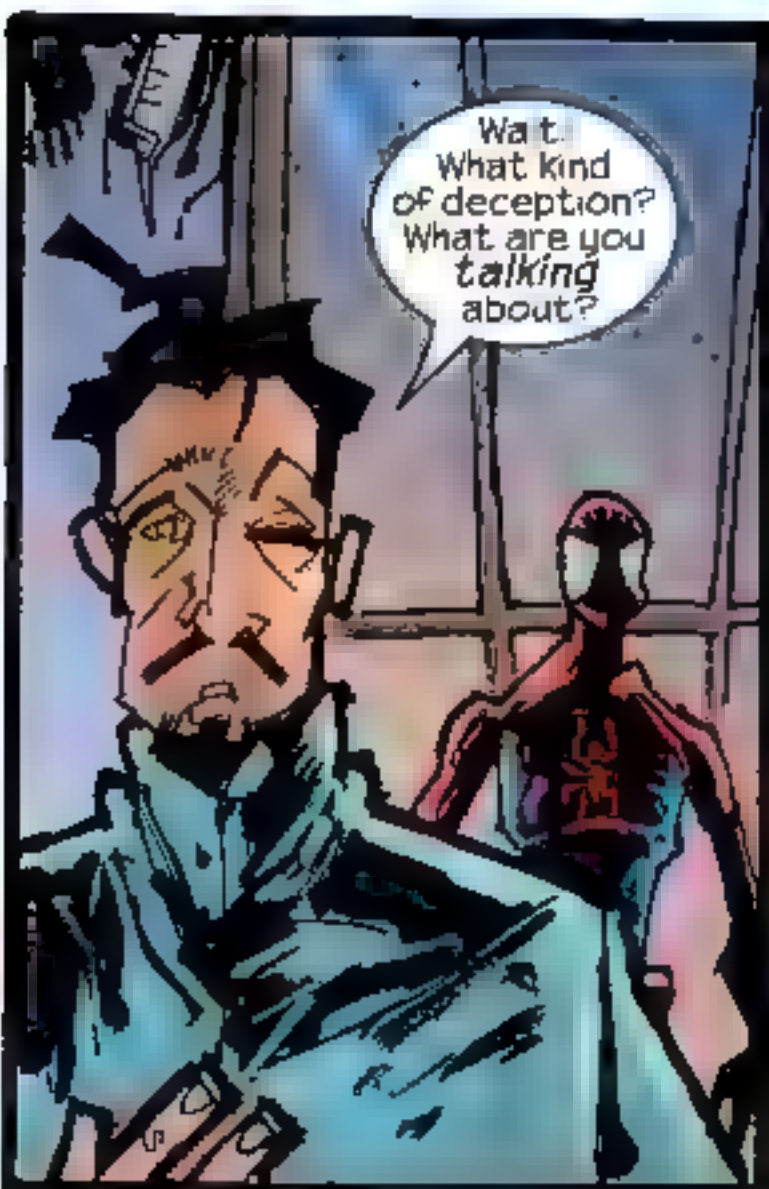

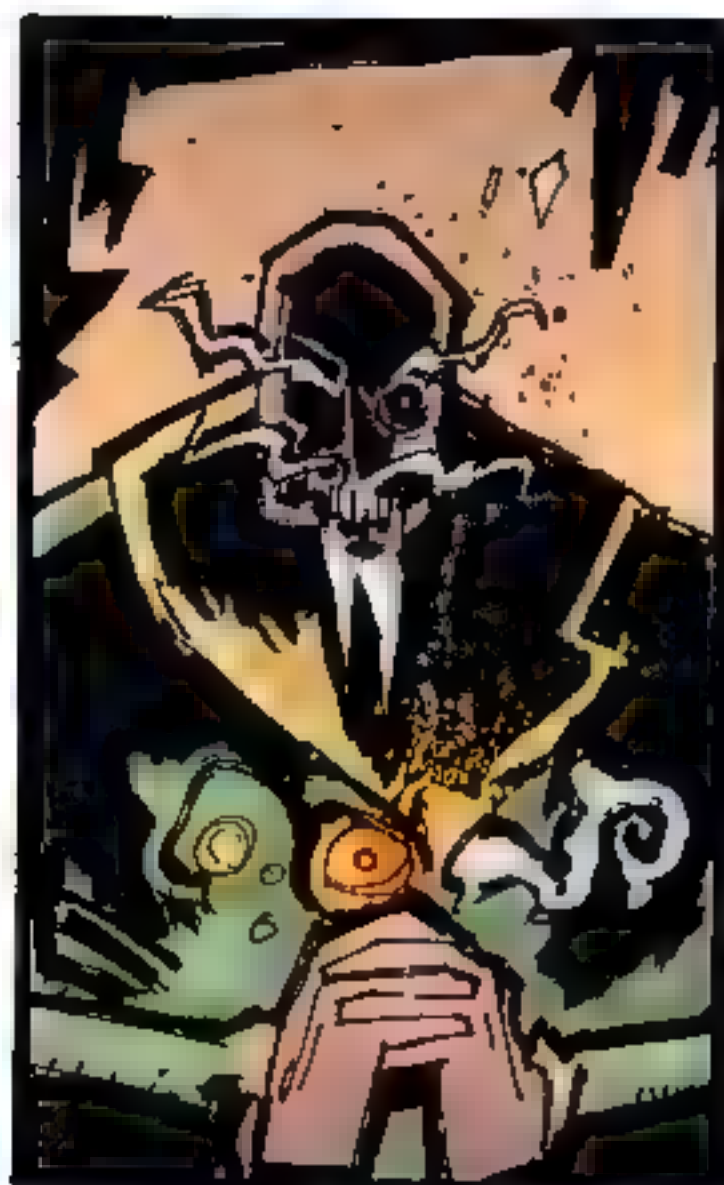

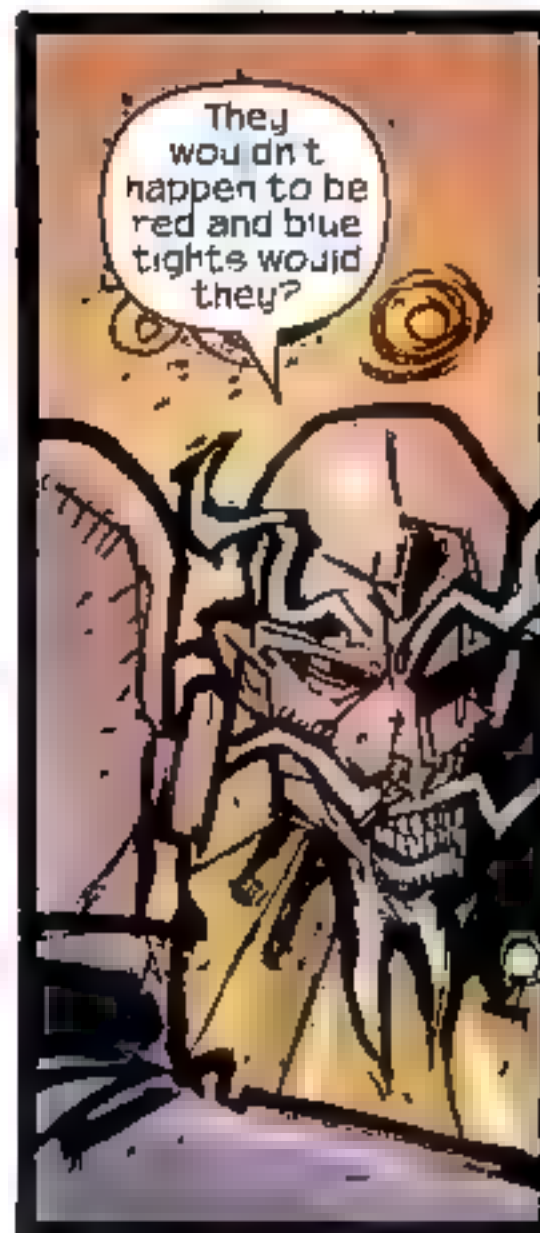

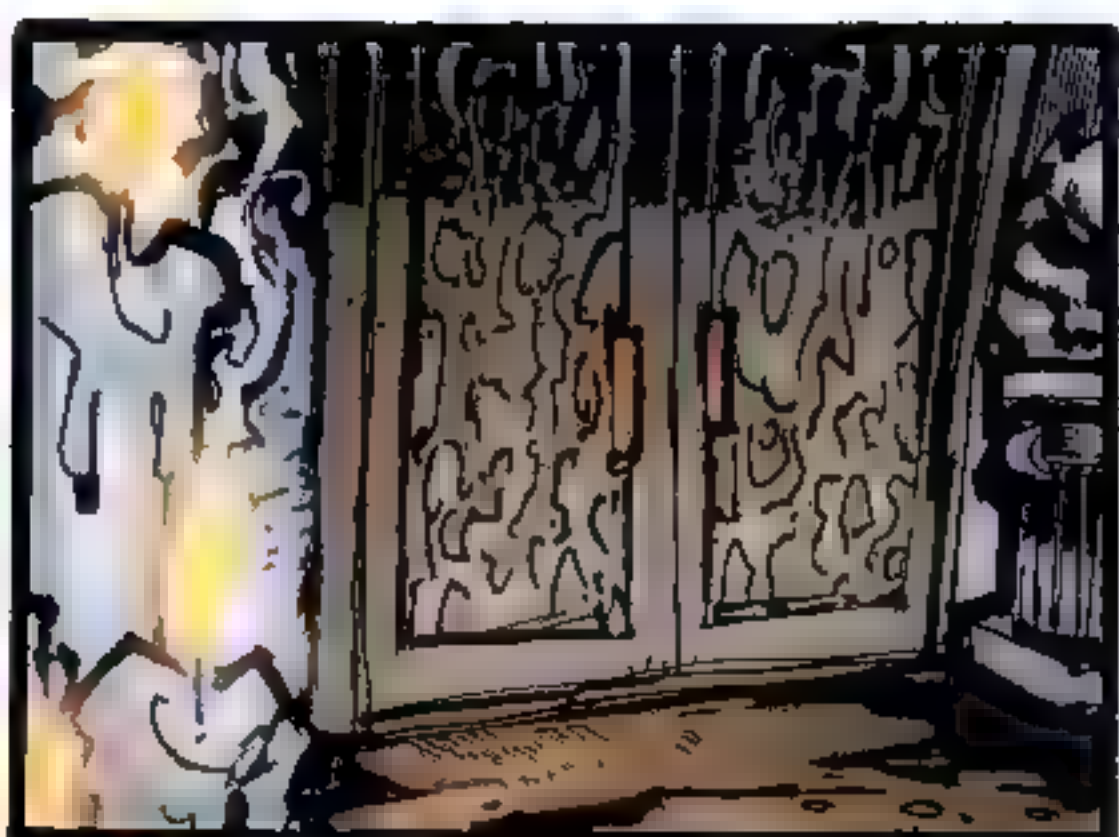

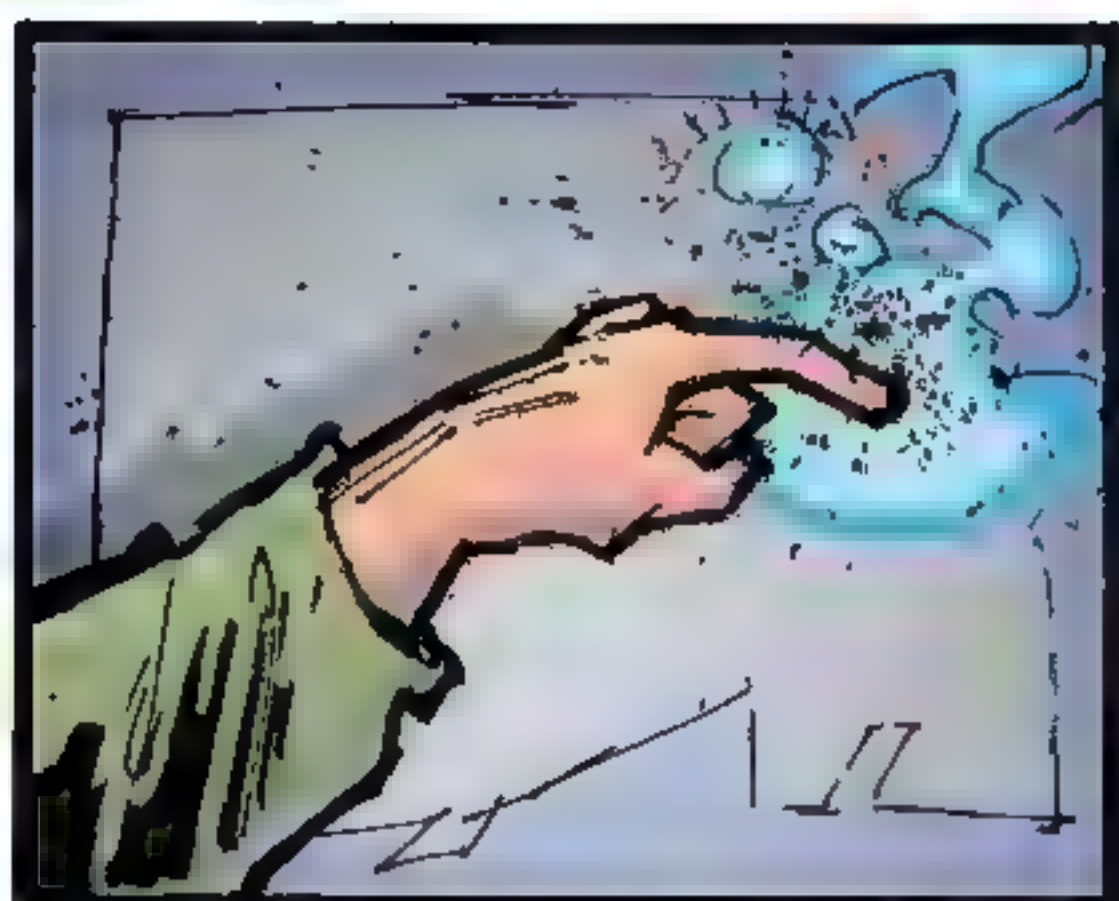

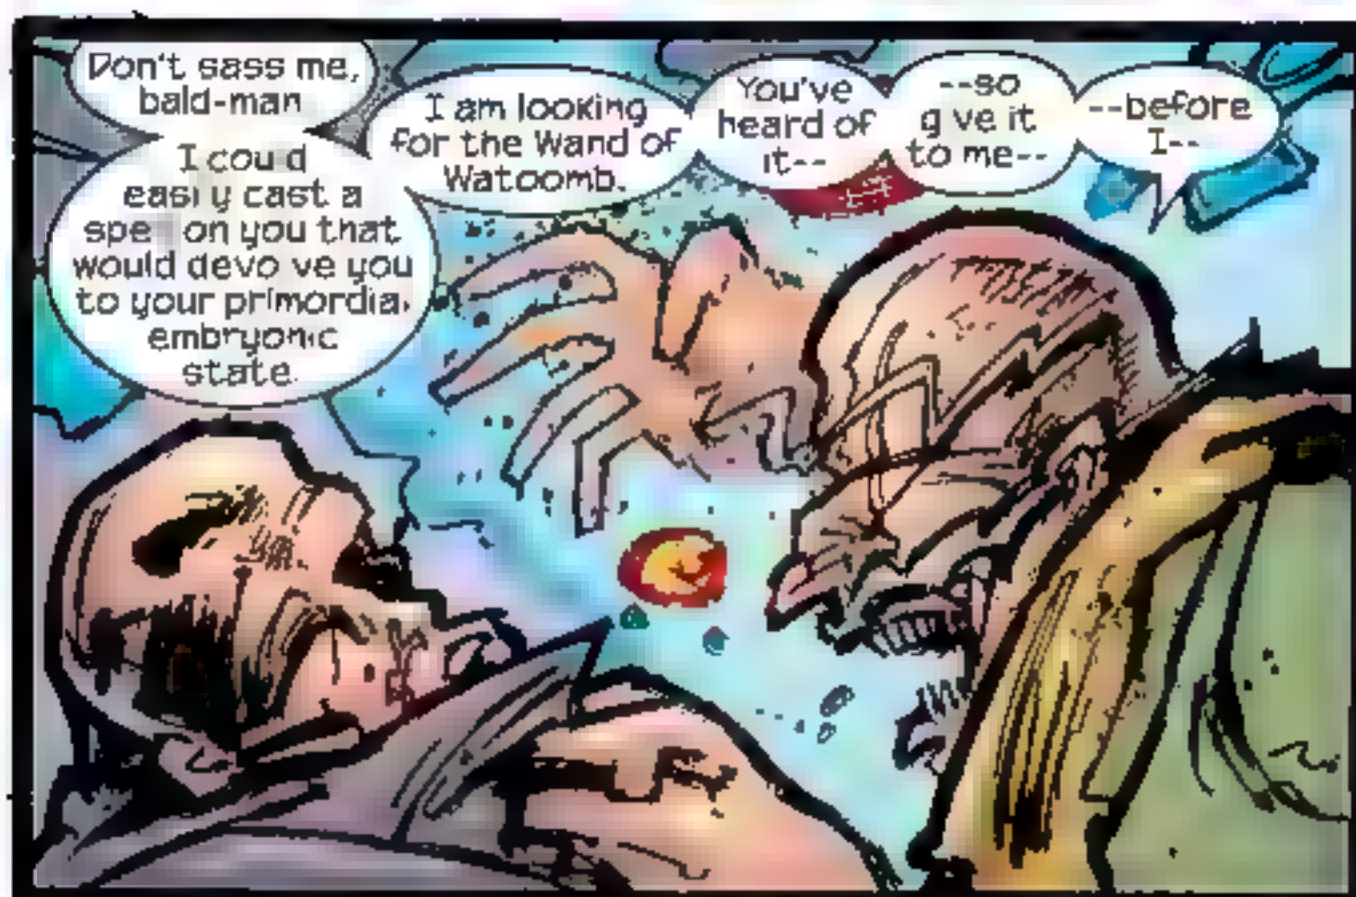

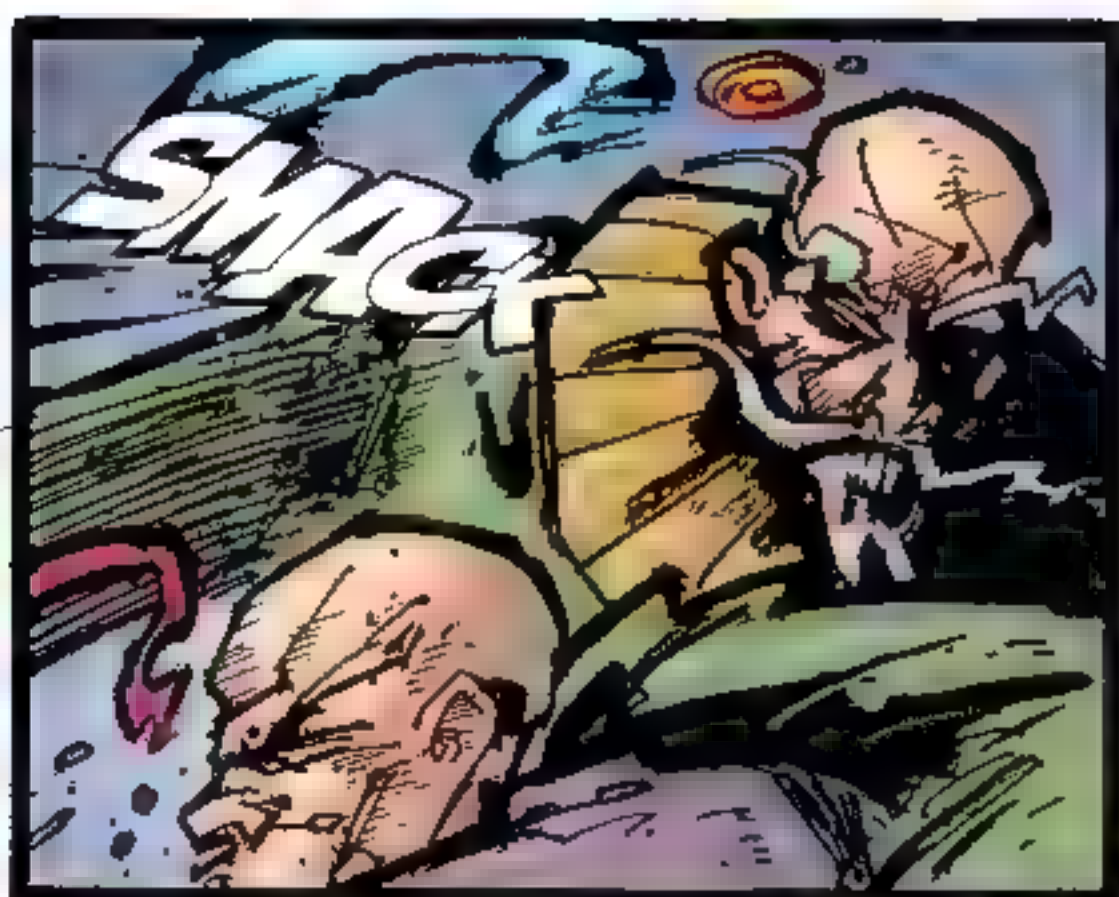

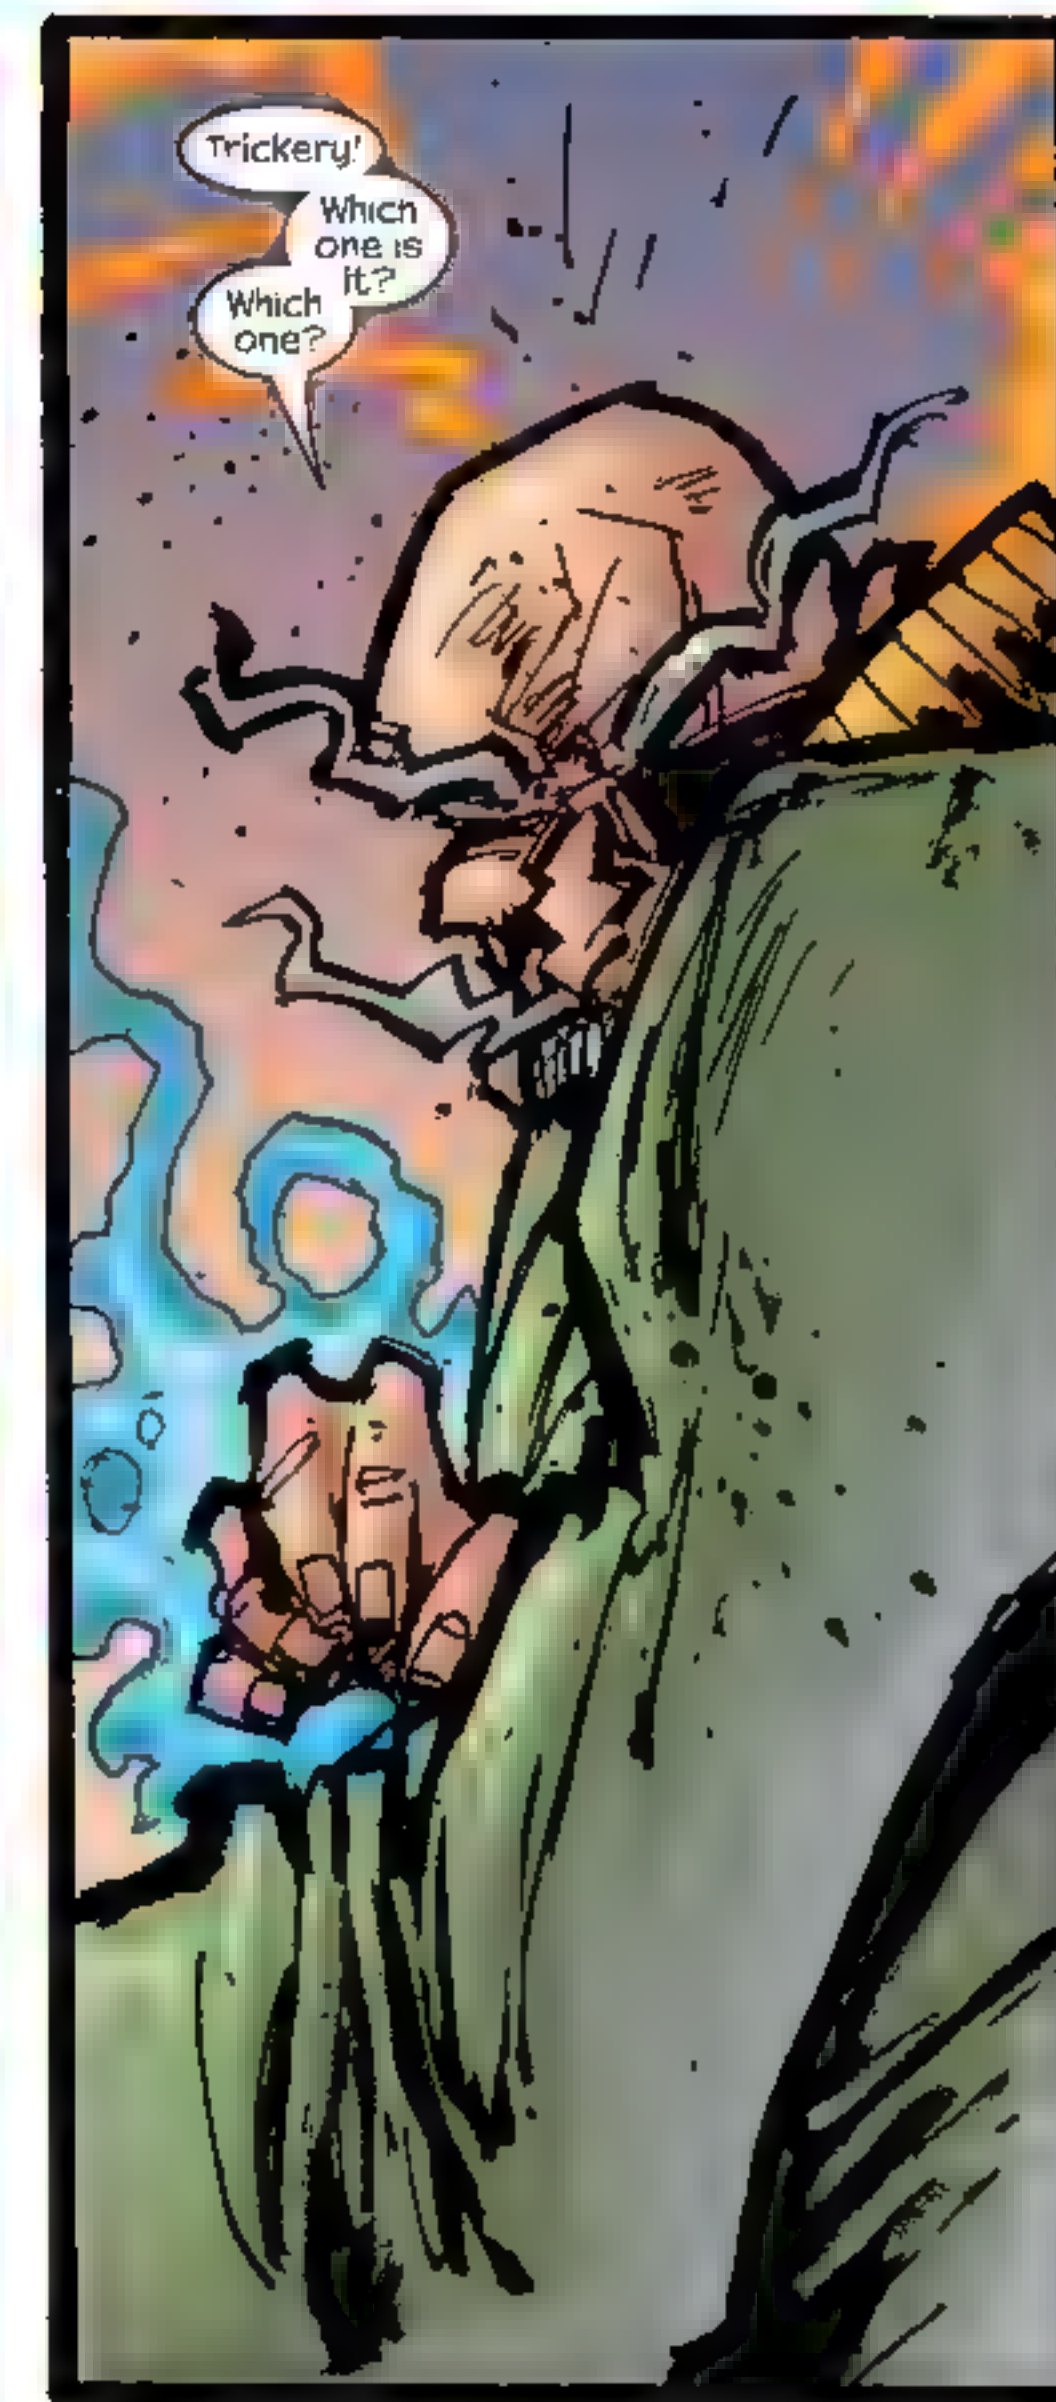

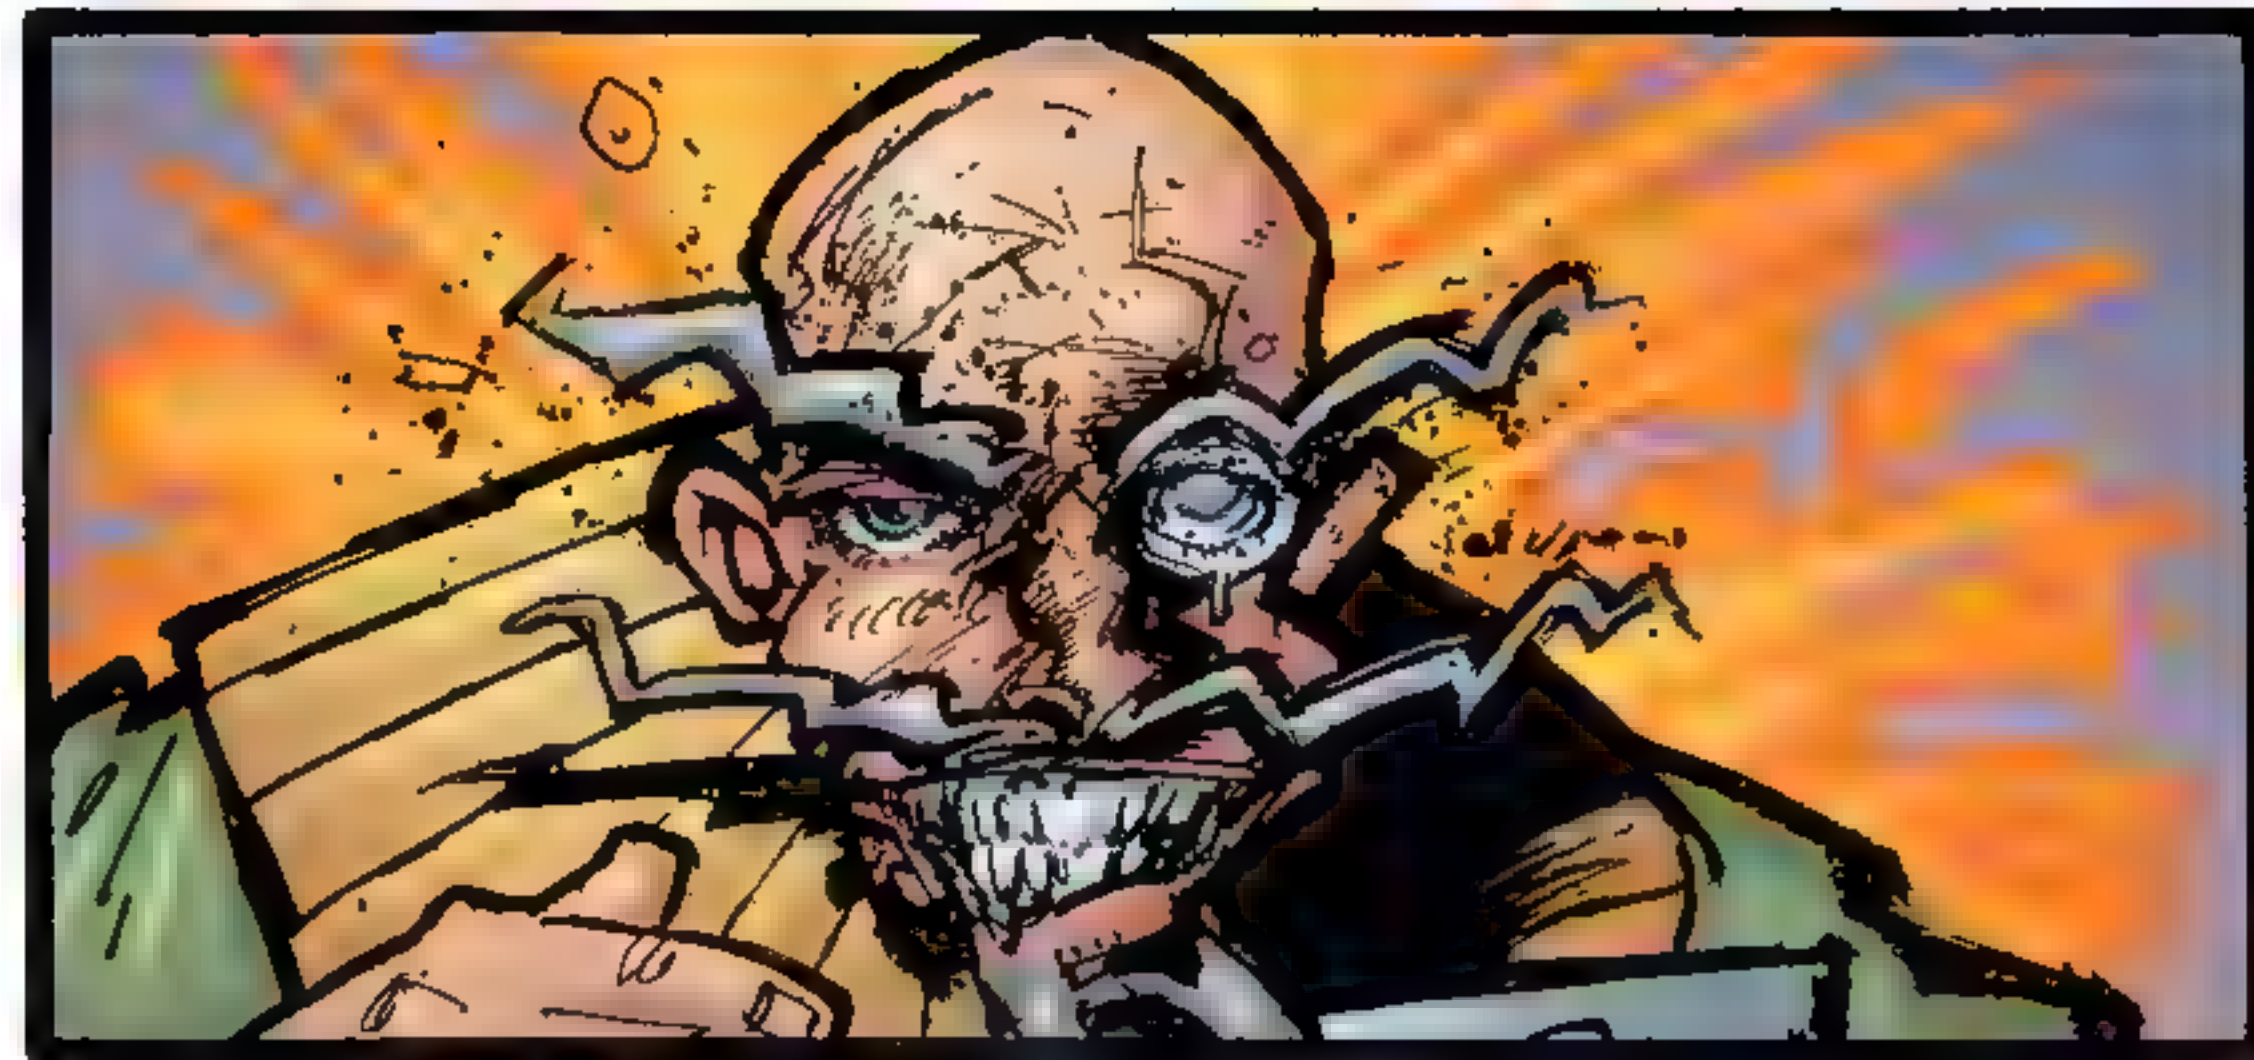

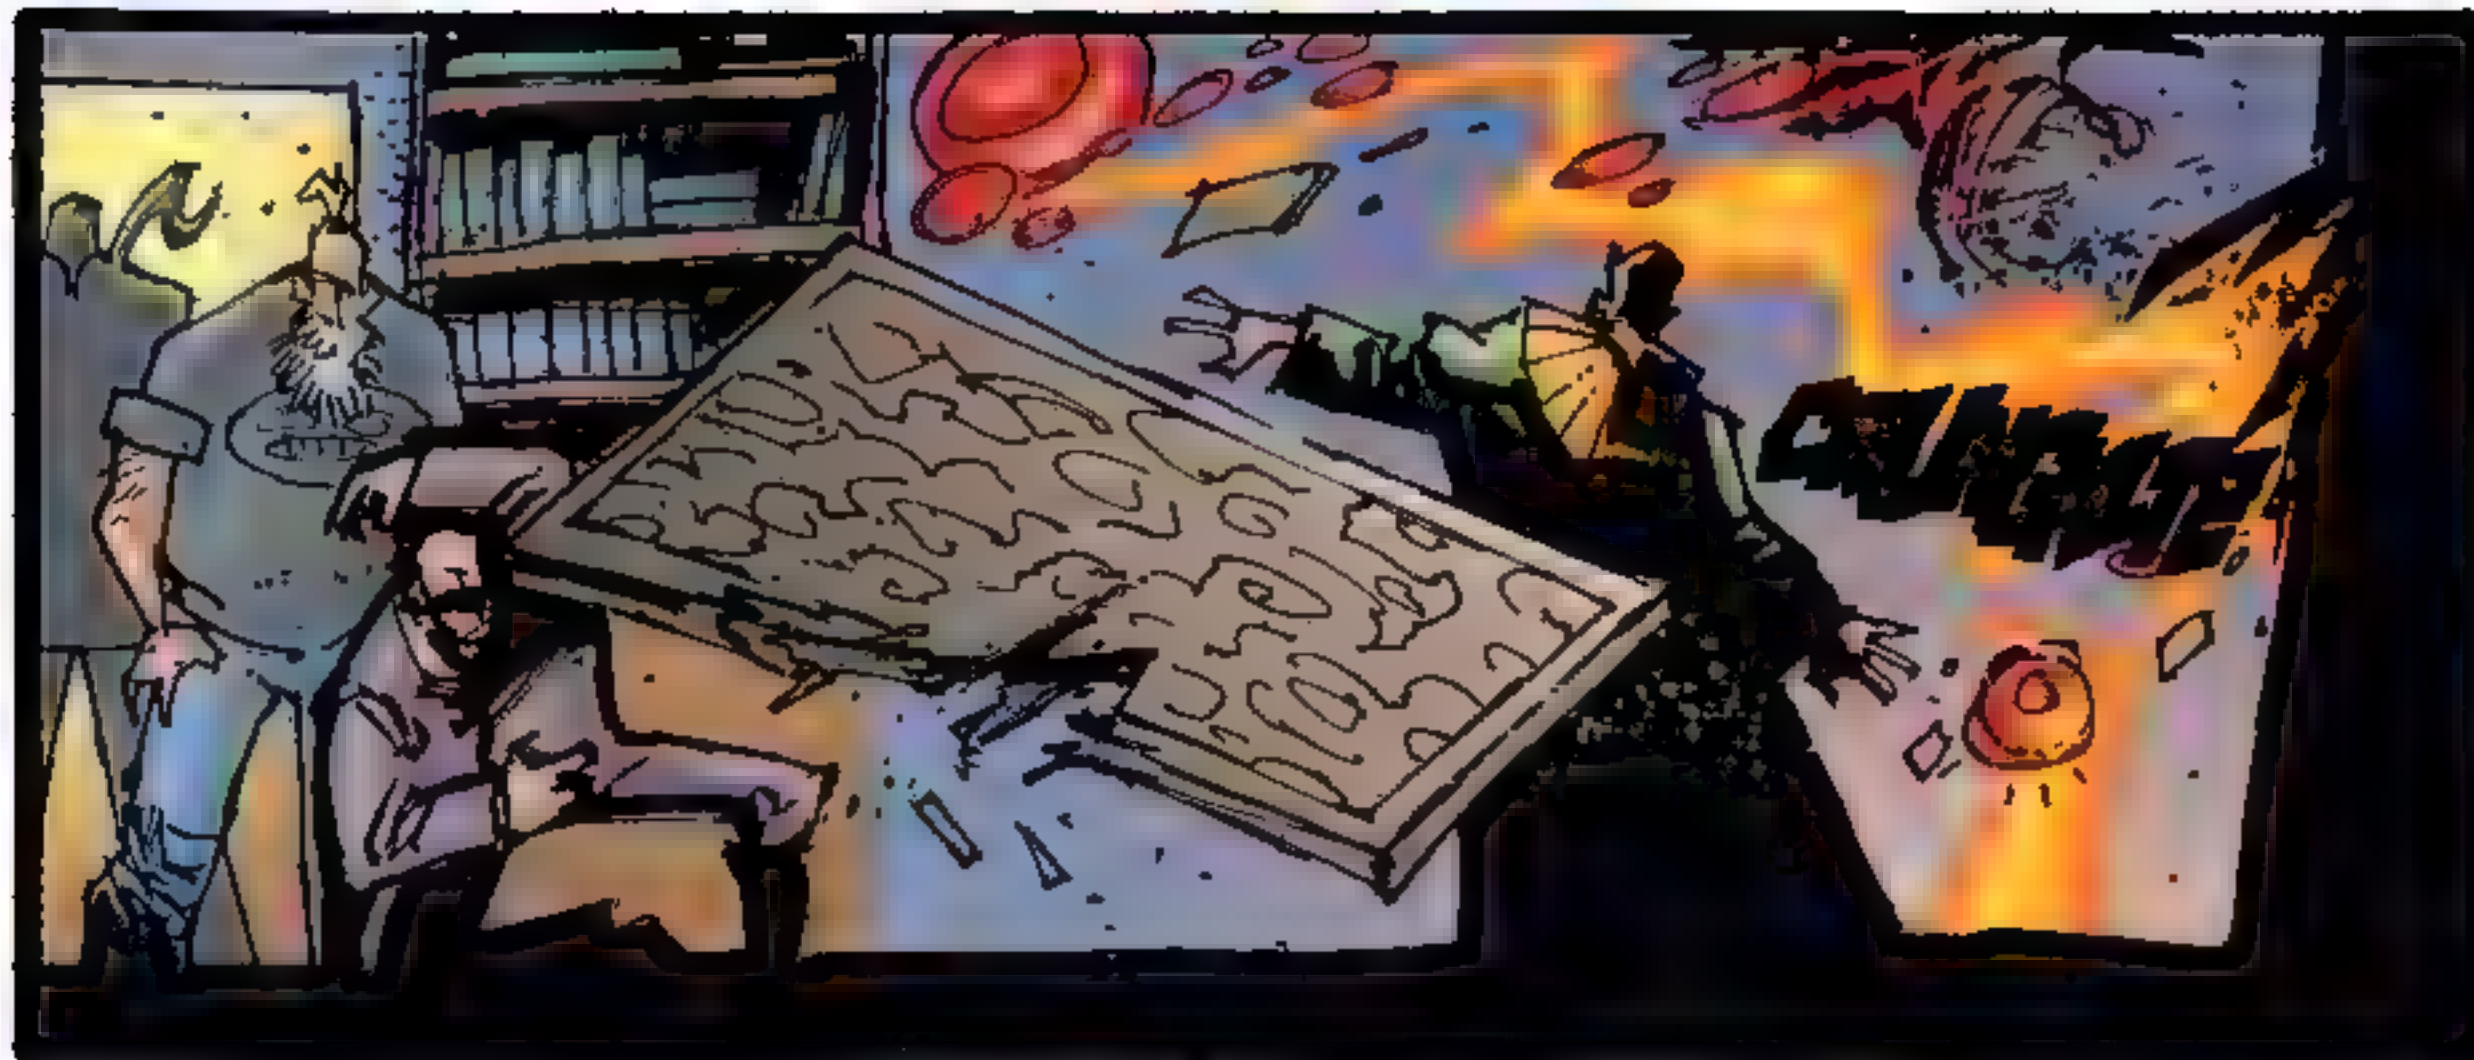

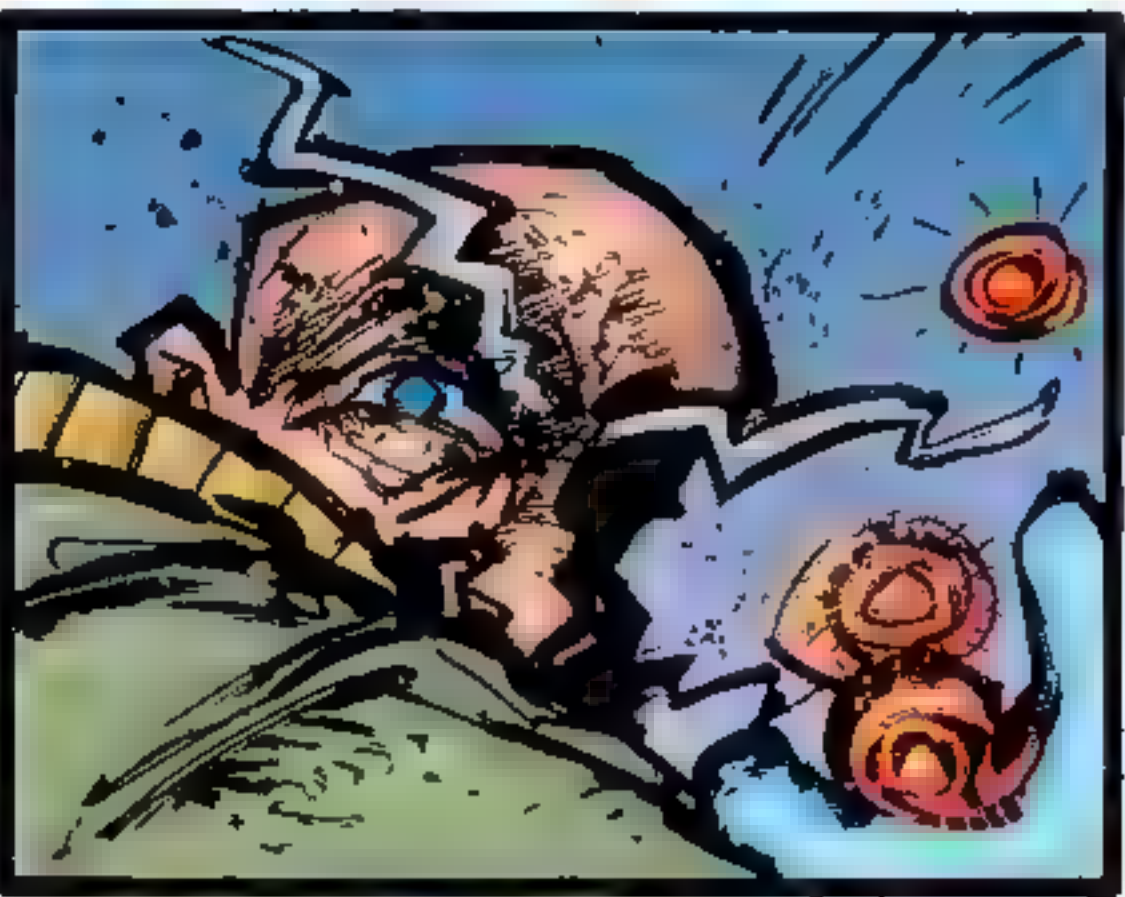

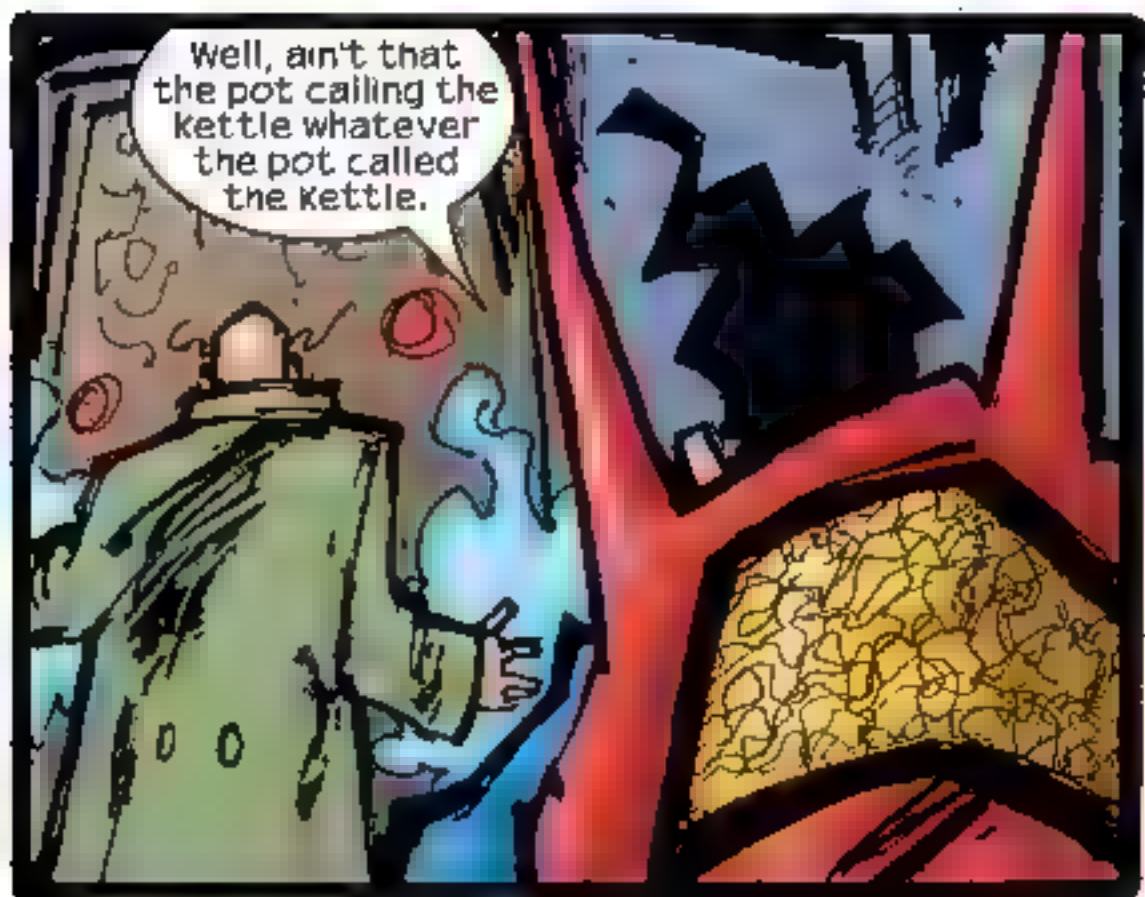

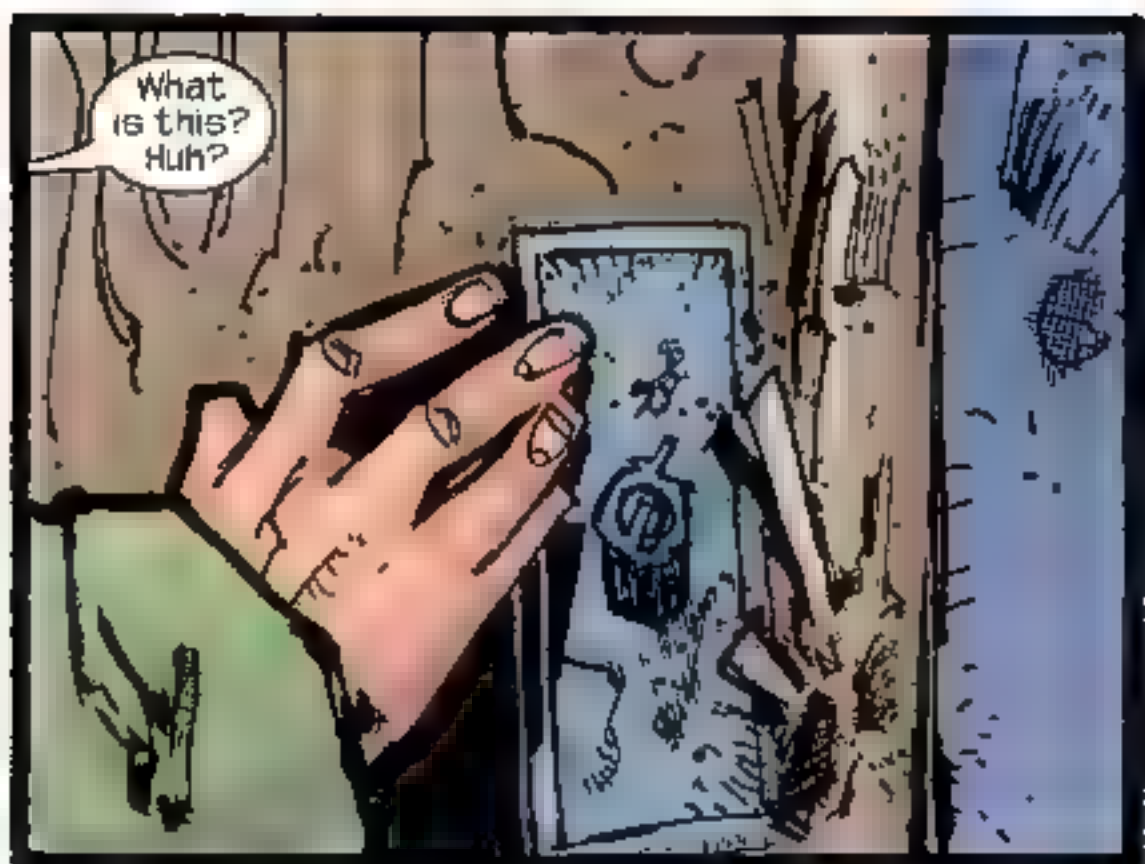

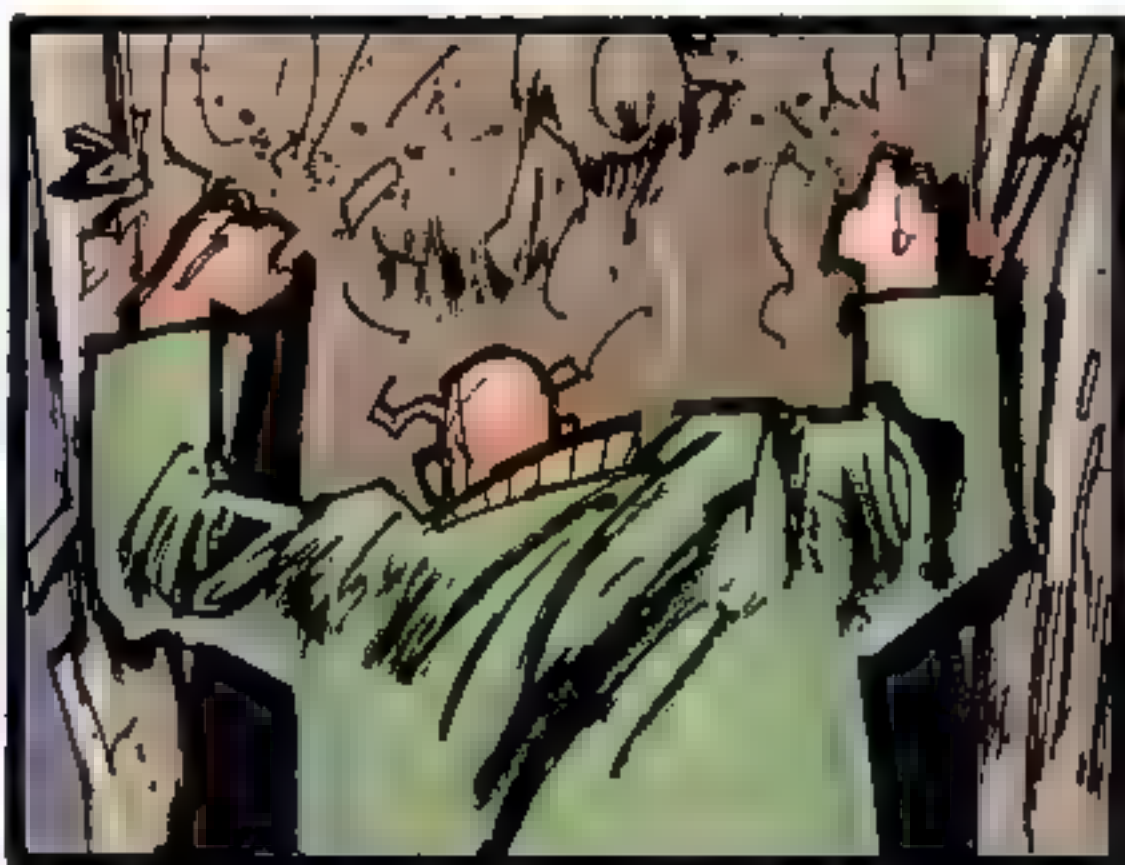

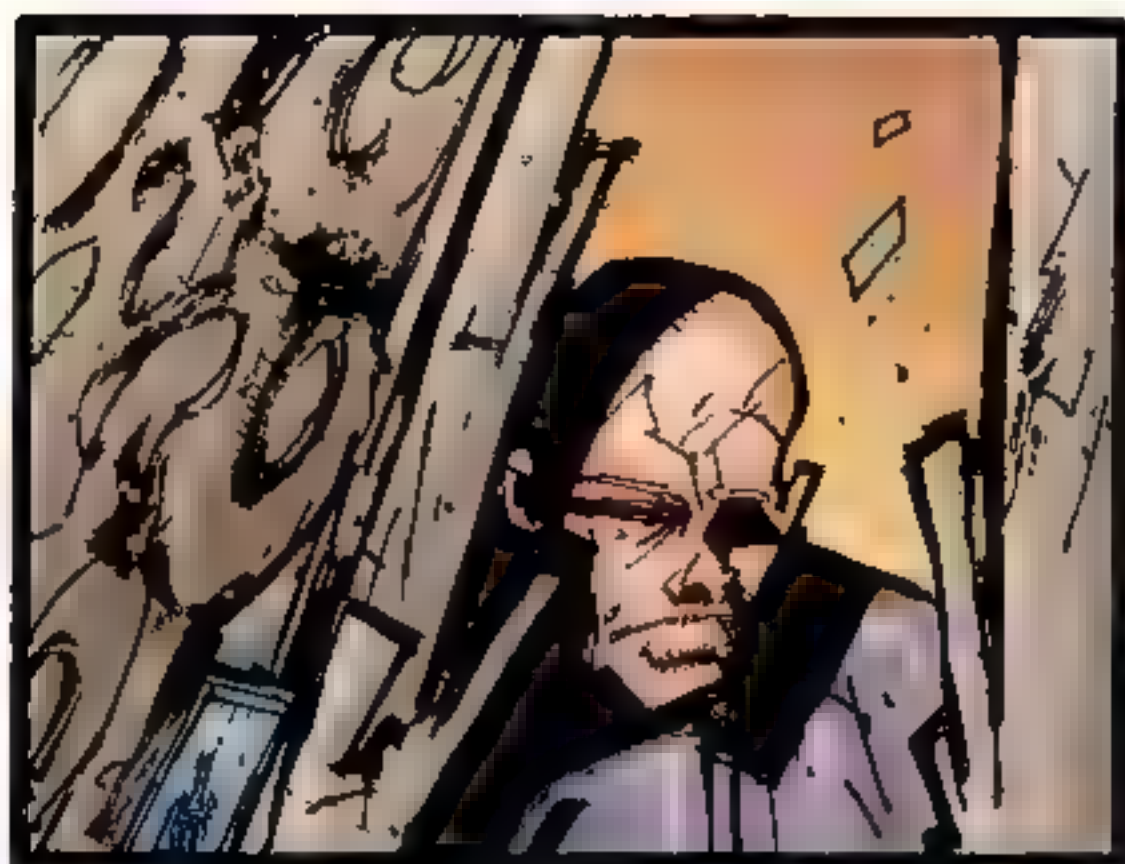

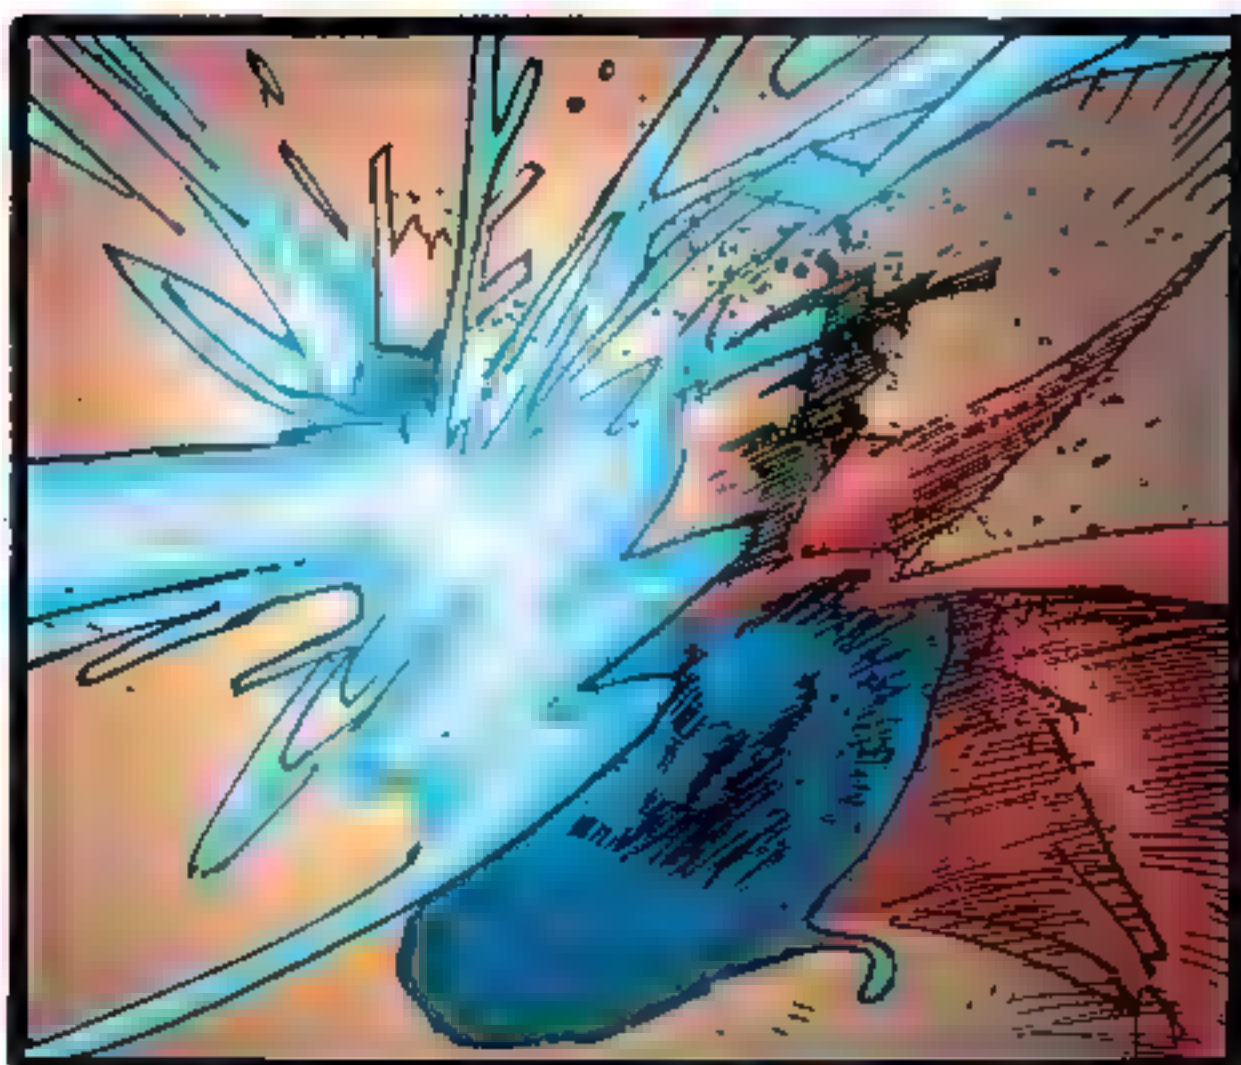

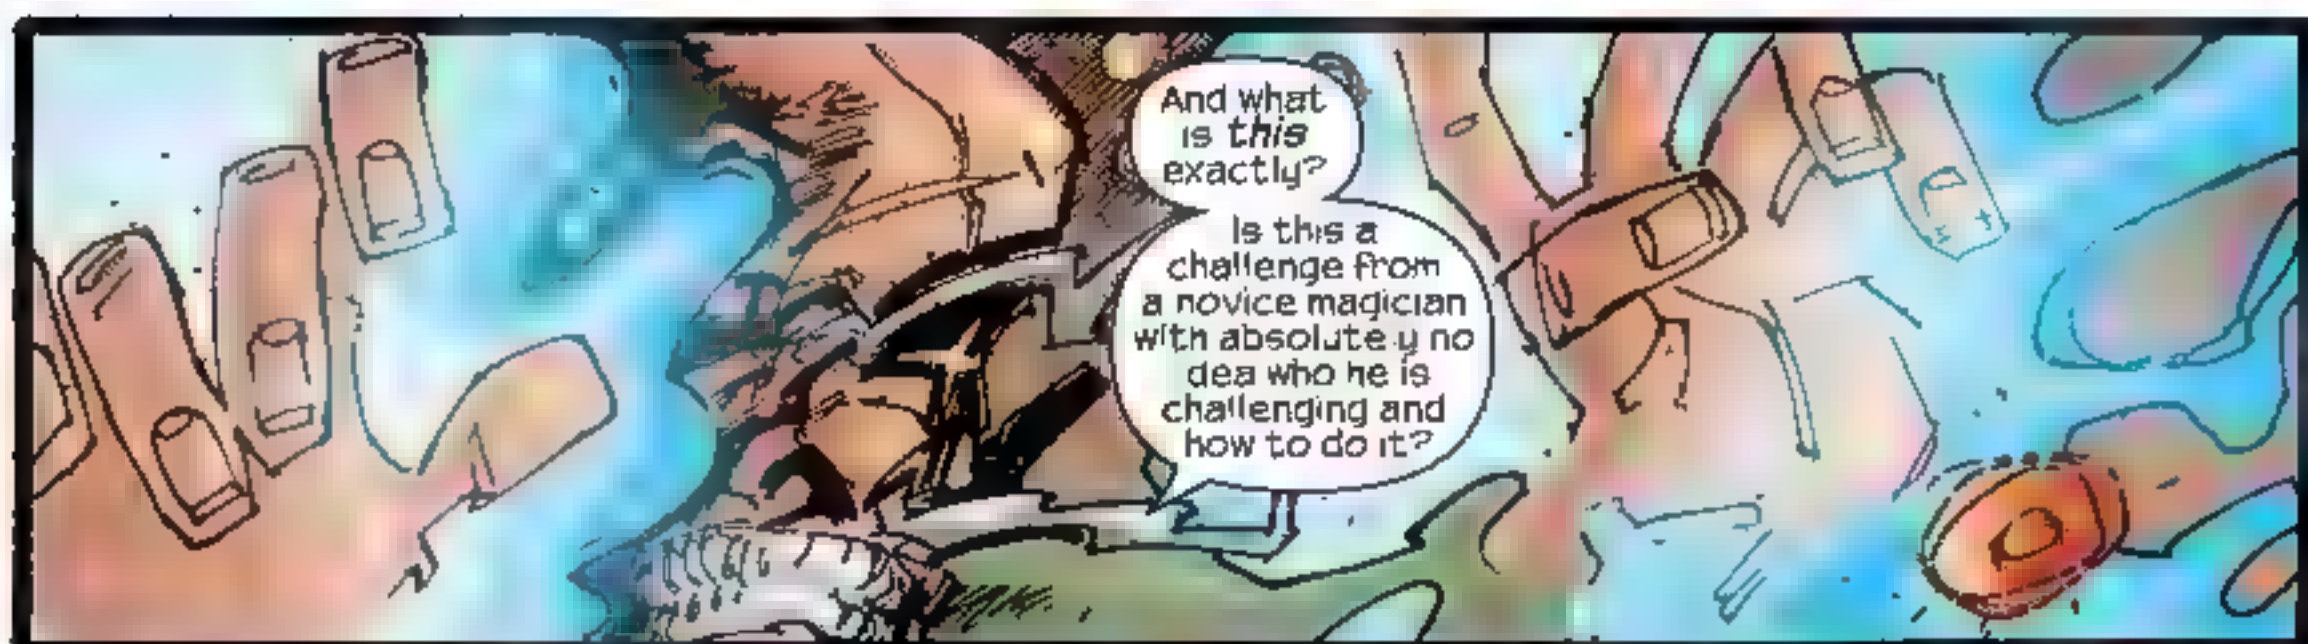

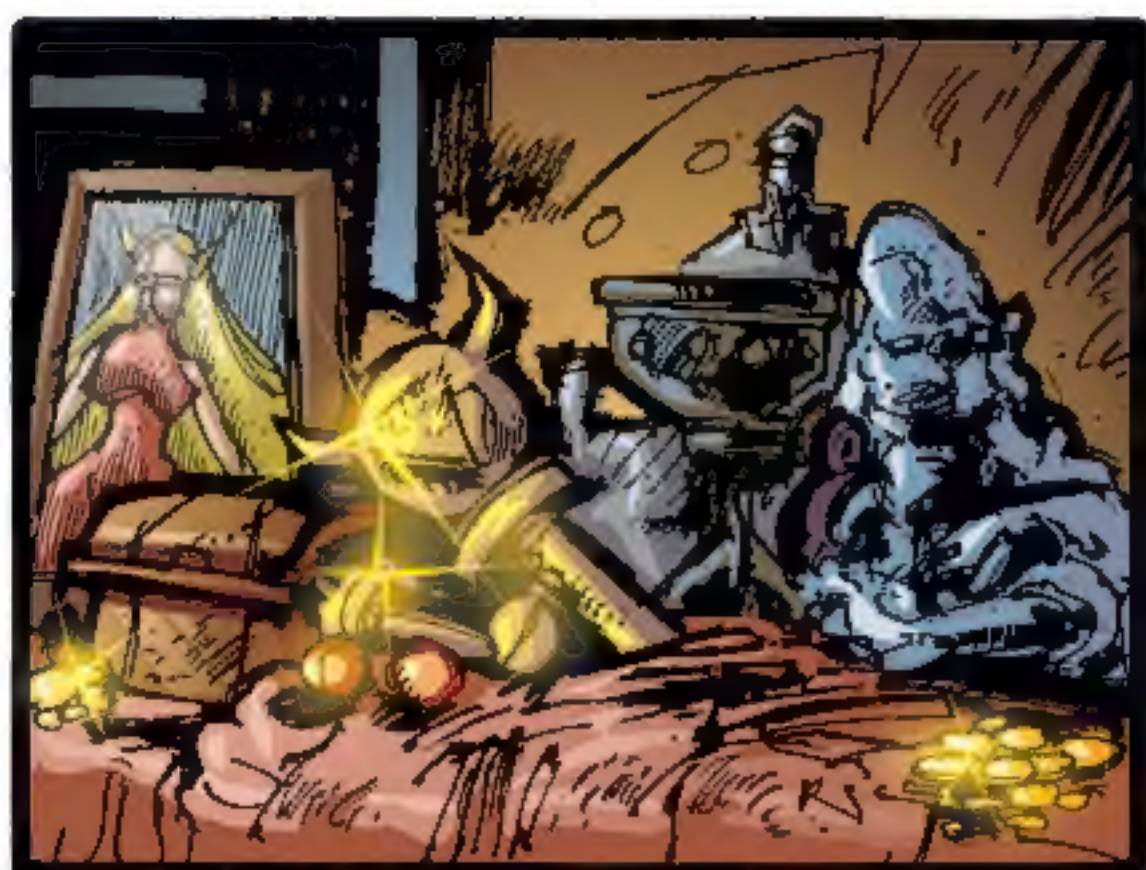

...but I am so creeped out by all you magic guys that I can't even think of something funny to say.

CLUMP

Master?

Hey, did I win?

I'm okay, Wong.

I did, didn't I? I actually won this one.

Dude...

You don't understand-- I, like, hardly ever win.

Man...

Where are we, dude?

A massage parlor?

How drunk was I?

My wife's going to kill me.

Let's get out of here.

Thanks.

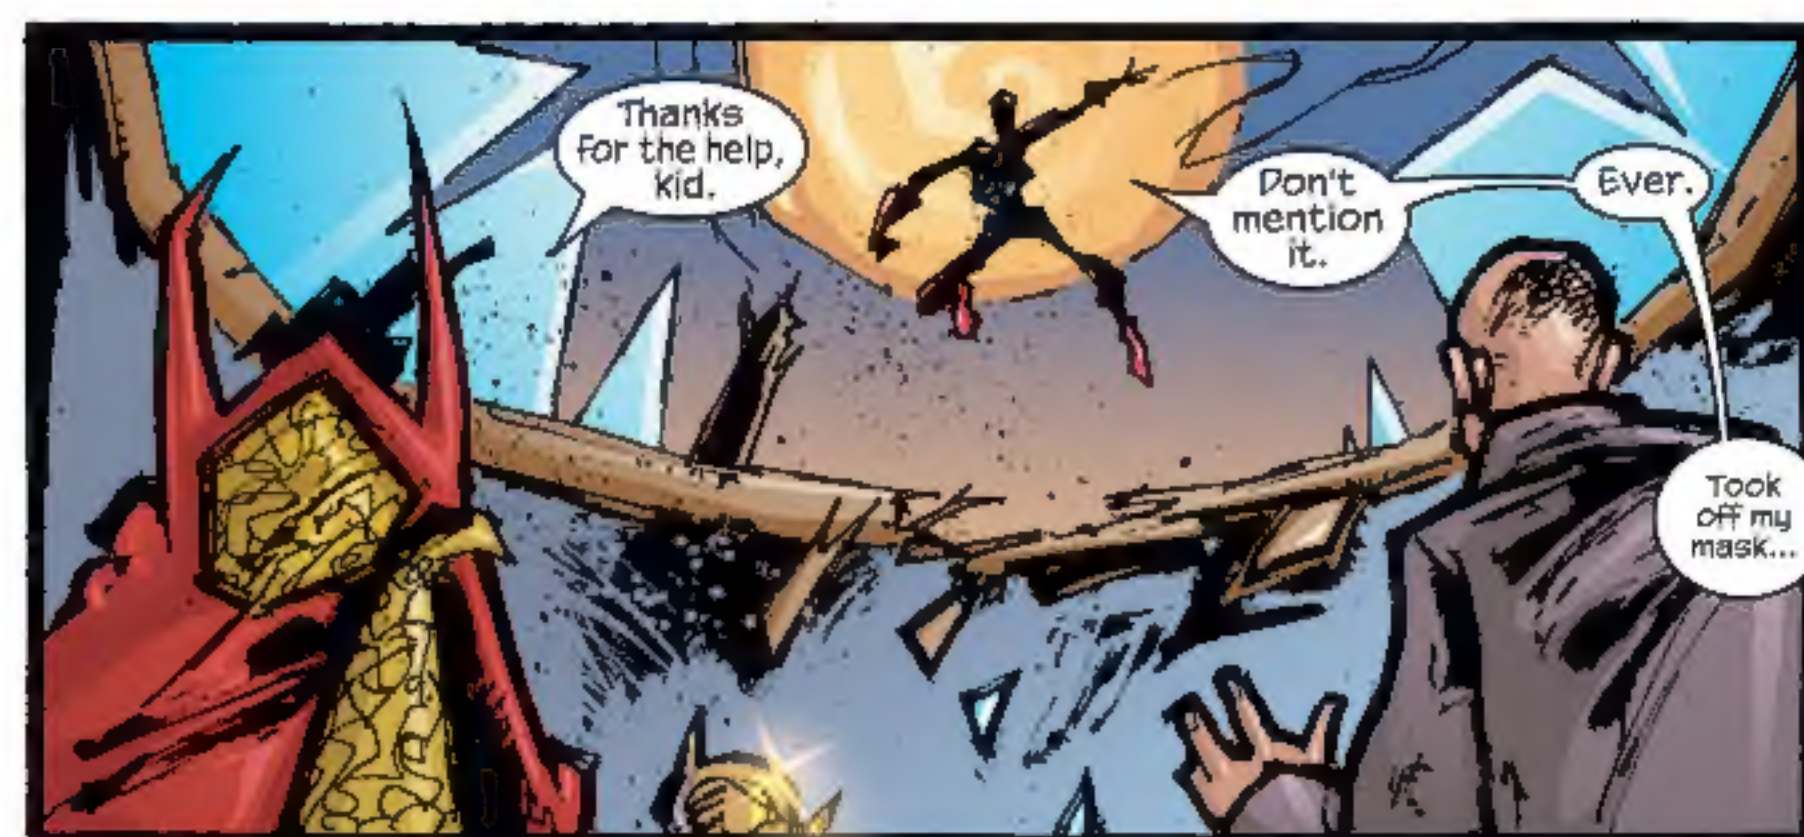

Yeah, no problem.

Wong, are you okay?

I am, sir. I am fine.

Well, that certainly was something.
